CONSTRUCTION NOTES.

All works to be carried out in accordance with the current, Planning, Building Regulations and Subsequent Amendments. No variations should be made to the approved drawings, without the express permission of the Local Authority Building Inspector. This drawing is intended only for Planning & Building Control Useage. This drawing may be scaled for planning purposes only. The contractor must check dimensions prior to commencement of works and report any discrepancies. The contractor is responsible for locating existing services on site and ensure that any diversions, terminations, extensions are carried out by an approved sub-contractor.
