

INSULATED CLADDING

The diagram shows a vertical section of a building facade. It features a series of horizontal rectangular panels, some of which are labeled 'INSULATED CLADDING'. The panels are arranged in a staggered pattern, with some having a solid dark fill and others being white with a dashed border. A leader line points to one of the white panels with the label 'INSULATED CLADDING'.

A line drawing of a building facade. The building has a gabled roof with a small chimney on the left side. The main body of the building is filled with horizontal lines. There are three rectangular windows on the left side, each with a small decorative element above it. The building is set against a background of vertical dashed lines.
