

This is a detailed site plan for a development along Neath Abbey Road. A prominent red line indicates a proposed route or boundary, starting from the bottom left and curving along the road. The plan includes several parking areas with numbered spaces: a row of 19 spaces (19-29) at the top right, a larger lot of 24 spaces (30-53) in the center, and another row of 12 spaces (87-98) on the right. Building footprints are shown, including a large structure at the bottom right labeled 'WELFARE' and '250 sq m'. Other features include a 'Bus stop' on the left, various utility markers like 'MH' (Manhole) and 'IR (2.2m)', and dimensions such as 3000, 1750, 1500, 2000, 7100, and 3250. The road is labeled 'NEATH ABBEY ROAD' and 'R8000'. The plan also shows 'Asphalt' surfaces and 'Grass' areas.
