

Architectural elevation drawing of a proposed building. The drawing shows a two-story structure with a gabled roof, two windows on the upper floor, and a large window and a door on the ground floor. A driveway is shown to the right of the building. Dimensions are provided: a total height of 5.48m, a total width of 6.25m, and a driveway width of 2.35m. An 'Existing Boundary Wall' is indicated on the right side.

Architectural elevation drawing of a proposed extension to an existing building. The drawing shows a side elevation with a gabled roof, windows, a door, and a car port. Dimensions are provided for height (5.48m) and width (6.25m and 2.35m). Callouts indicate materials and features to match existing structures.

- Roof pitch and tiles to match existing
- Render and painted to match existing
- Window Dimensions to match existing
- Horizontal Steel Column
- Vertical Steel Column
- Proposed 'open' Car Port

Existing Single Storey rear Extension

7.40m

Architectural drawing of a house. The house has a gabled roof with a brick pattern. The main body of the house is rectangular. The width of the house is labeled as 6.25m. The height of the main body is labeled as 5.48m. The house features four windows: two on the upper floor and two on the lower floor. The windows on the upper floor are smaller and have a decorative top section. The windows on the lower floor are larger and have a decorative top section. The house is shown from a side-on perspective.

Architectural elevation drawing of a building facade. The drawing shows a gabled roof with a red hatched section on the left and a grey hatched section on the right. The facade features five windows: three on the upper floor and two on the lower floor. The lower floor also includes a large 'Proposed open Car Port' on the left. Dimensions are indicated: a height of 5.48m and a width of 6.25m for the main section, with a 2.35m section on the left.

Architectural elevation drawing of a building facade showing a proposed extension. The drawing includes a gabled roof with a cross-hatched pattern, a main wall with a grid pattern, and a lower section with a solid pattern. Dimensions are provided: 1.00m for the base, 6.40m for the main wall width, and 7.40m for the total width including the extension. Labels indicate 'Render and painted to match existing', 'Horizontal Steel Column', 'Vertical Steel Column', and 'Existing Single Storey rear Extension'.
