Rev	Date	Description
03	12.12.19	CP Amends to plant supply sizes to changes. Issue for planning.
04	24.02.20	CP Amends to planting to add pollinator SPD. Issue for planning.
05	19.03.20	CP Amends to planting to add pollinator SPD. Issue for planning.

Planting plan based on architectural site plan Rev 2X
For planting schedule refer to drawing 2304-008

LEGEND

- Site Boundary
- POD Trees: Native trees to surround within LRP playzone and POD trees. EIS supply trees in pits with imported topsoil, double staked with irrigation pipework.
- Street Trees: Medium sized deciduous specimen trees with upright form. Semi-mature supply in pits with imported topsoil, U/G lined with irrigation pipework and rock barrier.
- Garden Trees: Specimen trees staked with irrigation pipework. 15L supply accent ornamental shrub in pit with 600mm imported topsoil and much topping.
- POD Native Shrub Mix: Mix of deciduous and evergreen native shrubs. Transparent supply @ 2.7m² in 300mm imported topsoil and much topping.
- Garden Hedge: Mix of deciduous and evergreen ornamental shrubs to create informal hedge to front gardens. 3L supply @ 3 per m in 450mm imported topsoil and much topping.
- Evergreen Hedge: Evergreen ornamental shrubs clipped to form hedge. 5L supply @ 3 per m in 450mm imported topsoil and much topping.
- Climbers: 15L pit in pit with 600mm imported topsoil and much topping. 1.2m high with cane support.
- Turf Grass: Grass seedling to rear gardens in 150mm imported topsoil.
- Grass: Grass seedling to rear gardens in 150mm imported topsoil.
- Grass and Wildflower Mix: Wildflower and native grasses sown to seedling mix.
- Hydro Seeded Mix: Wildflower and native grasses sown to seedling mix. Details, ongoing maintenance to suppliers recommendations & requirements.
- Evergreen Ground cover: Spreading evergreen ground cover plants planted to top of retaining wall.
- Stone & Slate Surface Chippings: Loose decorative natural stone to surface narrow strip front gardens.
- Formal Play: Informal play made up of timber balance beams, stepping stones and logs, tree logs from trees felled on site etc. See detailed area dpg.
