

Viewpoint 1: Track by Pen y Waun. Distance of 0.3km from proposed development.
Panoramic view and photomontage both illustrate the good levels of existing vegetation local to the site, especially to the south of the site. The proposed development would be partially visible, seen in the context of existing built form.
(Panorama encompasses approximately 180° view looking north).

Viewpoint 2: Mynydd Uchaf. Distance of 0.5km from proposed development.
Panoramic view illustrates the wide and long distance views available from Mynydd Uchaf. Photomontage indicates the very limited proportion of the proposal that would be visible from this location.
(Panorama encompasses approximately 180° degree view looking east and south).
