The sun throughout the day - Wednesday May 20th 2020

9. 2.20 p.m.

Sun just beginning to come
around the Sycamore tree.

Half the garden has sunshine

The sun throughout the day - Wednesday May 20th 2020

10. 2.50 p.m.

Almost there - the sun is just about to come around the tree

The sun throughout the day - Wednesday May 20th 2020

11. 3.25 p.m.

On one of the hottest days of the year the sun has only come around the tree after hours of it being blocked. We will have just about one and a half hours of sunlight before it goes to the front of the house.
