oak tree in garden

Before answering these questions you might find it helpful to consult a tree surgeon to clarify what needs to be done.

Please provide a full and clear description of:

- The trees affected including species and location

Reduce canopy of oak (again!) lateral reduction of 2.5m and height 1.5-2m

Trees protected by TPO should be numbered according to the First Schedule of the Tree Preservation Order. For example - T3 oak; two beech and one birch in 132

You must identify the trees on a sketch plan showing the location in relation to building/s, named roads and boundaries.

Please state the reference number you have given the plan (as described above):

This section only needs to be completed if you are seeking consent for proposed works to trees under a Tree Preservation Order (TPO)

Please state the reasons for carrying out the proposed works on the tree(s):

Branches are impacting on light in our and neighbour's garden. Some branches overhang pub car park. Proximity to our house is a concern.

Please indicate whether the reasons for carrying out the proposed works include any of the following. If so, your application must be
