**PROPOSAL:** Details pursuant to the discharge of Condition 3 (Structural survey), 4 (Disposal of foul and surface water) and 6 (Samples of materials) of Planning Permission P2016/0878 approved on 07.09.17 (Revised drainage plan / details received 01.06.20)

**NEATH PORT TALBOT COUNTY BOROUGH COUNCIL** as the Local Planning Authority in pursuance of its power under the above mentioned Act and Order hereby **APPROVES** the details

Informatives:

1 The applicant is made aware that for full compliance with all the above conditions the approved details must be fully implemented on site.

2 Welsh Water note to developer: Since the proposal intends utilising an alternative to mains drainage we would advise that the applicant seek advice from Natural Resources Wales and or the Building Regulations Authority / Approved Building Inspector as both are responsible to regulate alternative methods of drainage. However, should circumstances change and a connection to the public sewerage system/public sewerage treatment works is preferred we must be re-consulted on this application.

3 Natural Resources Wales note to developer: We offer no objection to the discharge of condition 4, but please advise the applicant that they will need to apply for an environmental permit from NRW for the proposed sewage treatment plant. Further

guidance is available via the following website; <http://naturalresources.wales/permits-and-permissions/?lang=en>. Please note, there is no guarantee of acquiring an Environmental Permit and our comments on private sewerage systems are made on the understanding that no public foul sewer is available to serve the development. We have no comments to make regarding the discharge of conditions 3 and 6.

4 Drainage note to developer Prior to commencement of any works within a watercourse, permanent and temporary consent under Section 23 of the Land Drainage Act 1991 must be obtained from the Authority. You are therefore advised to contact the Highway Development Engineer, Mr Nicholas Waters at The Quays, Brunel Way, Baglan Energy Park, Neath, SA11 2GG (Tel.No.01639 686051 e-mail [n.waters1@npt.gov.uk](mailto:n.waters1@npt.gov.uk)). Please note such consents can take up to 8 weeks to be processed after registration and early application is advised.

**Date: 23 June 2020**

**IMPORTANT:**

(1) Please note that for all decisions issued after 16th March 2016 for outline or full planning permission, a revised decision notice will be issued whenever a subsequent consent is given, for example providing details of any Reserved Matters approvals (outline applications only) and/or approval of conditions (including on Reserved Matters). This will ensure that the current status of the conditions applied to a consent is clear. Accordingly you are advised to visit [www.npt.gov.uk/planning](http://www.npt.gov.uk/planning) to view the application documentation to see if this is the current version, or whether it has been superseded by a more up-to-date revision of this Decision Notice. For Reserved Matters approvals the revised Decision Notice will only be shown under the Outline approval.

(2) Please note that this consent is specific to the plans and particulars approved as part of the application. Any departure from the approved plans will constitute unauthorised development and may be liable to enforcement action. You (or any subsequent developer) should advise the Council of any actual or proposed variations from the approved plans immediately so that you can be advised how to best resolve the matter.

(3) In addition, any conditions that the Council has imposed on this consent will be listed above and should be read carefully. It is your (or any subsequent developers) responsibility to ensure that the terms of all conditions are met in full at the appropriate time (as outlined in the specific condition). Please note that any works carried out without compliance with the conditions attached to this approval will be entirely at the risk of the persons involved and may result in formal action being taken by the Local Planning Authority.

(4) The developer should have regard to Sections 4, 7, 8 and 8A of the Chronically Sick and Disabled Persons Act 1970 and to the British Standards Institution's Code of Practice for "Design of buildings and their approaches to meet the needs of disabled people" (BS 8300:2009+A1:2010).

(5) From 1st October 2012 it has been an offence to install a public sewer or lateral drain without having an adoption agreement in place. From the 1st October 2012 the vast majority of all existing private sewers and lateral drains which link with the public sewer network were transferred to Welsh Water. For further details on how this will affect your development please contact: Welsh Water Developer Services, PO Box 3146, Cardiff, CF30 0EH. Telephone No. 0800 9172652 or email: [developer.services@dwrcymru.com](mailto:developer.services@dwrcymru.com).

- (6) The Welsh Government has power to allow a longer period for the giving of notice of appeal but they will not normally be prepared to exercise this power unless there are special circumstances which excuse the delay in giving notice of appeal.

They do not in practice refuse to entertain appeals solely because the decision of the Local Planning Authority was based on a direction given by them.
- (8) If permission to develop land is refused or granted subject to conditions, whether by the Local Planning Authority or by the Welsh Government, and the owner of the land claims that the land has become incapable of reasonable beneficial use in its existing state and cannot be rendered capable of reasonable beneficial use by the carrying out of any development which has been or would be permitted, he may serve on the County Borough Council, in which the land is situated, as the case may be, a **purchase notice** requiring that Council purchase his interest in the land
