

- Using a van mounted MEWP ensure that the wooded area is free from parked vehicles and proceed to reduce all trees back from yard by 2m.
- Raise all overhanging branches over fencing around site.
- Chip all waste onto vehicle and remove from site.

Works will be completed by fully trained, qualified operatives. Price is inclusive of all labour, materials and delivery charges.

If trees are subject to a Tree Preservation Order or are situated within a Conservation Area, consent will be required from the Local Planning Authority before works can commence. We are happy to make this application on your behalf. Works to neighbouring trees will require the owner's written permission.
