4. Identification of Tree(s) and Description of Works

Before answering these questions you might find it helpful to consult a tree surgeon to clarify what needs to be done.

Please provide a full and clear description of:

- The proposed works
- The trees affected including species and location

Following our subsequent site audit visit, please find our quotation for the lifting of overhanging branches over fencing and along tree line. Using a van mounted MEWP ensure that the wooded area is free from parked vehicles and proceed to reduce all trees back from yard by 2m. Raise all overhanging branches over fencing around site. Chip all waste onto vehicle and remove from site.

Trees protected by Tree Preservation Order should be numbered according to the First Schedule of the Tree Preservation Order. For example - T3 oak; two beech and one birch in G2.

You must identify the trees on a sketch plan showing the location in relation to building(s), named roads and boundaries.

Please state the reference you have given the plan (as described above)
