The Plan should also include a detailed monitoring scheme/schedule, which shall regular reviews covering the initial five year period, together with details covering submission and approval of subsequent updated Travel Plans every five years for the duration of the operation of the development, which shall seek to address any issues that have failed to reduce the use of the car and meet the agreed targets set in the travel plan. **Reason:**

To ensure that risks from land contamination to the future users of the land and neighbouring land are minimised, together with those to controlled waters, property and ecological systems, and to ensure that the development can be carried out safely without unacceptable risks to workers, neighbours and other off site receptors, and to ensure compliance with Policies SP16 and EN8 of the Neath Port Talbot Local Development Plan.

- 7 The premises shall be used for scaffolding training only and for no other purpose (including any other purpose in class D1 of the schedule to the Town and Country Planning (Use Classes) Order 1987 (or in any provision equivalent to that class in any statutory instrument revoking and re-enacting that order with or without modification).

**Reason:**

In order that other changes of use can be assessed in the interests of amenity and to accord with Policies SC1 and TR2 of the Neath Port Talbot Local Development Plan.

**Reason for granting Planning Permission**

The proposal represents an appropriate form of development that would have no unacceptable impact on residential amenity, visual amenity, highway and pedestrian safety. Due to its linkages with industry, and the nature of the development it is also not considered to be a major departure to the development plan policies in place. Accordingly, the proposed development is in accordance with Policies BE1, TR2, EC1, EC2, EC3 & EC4 of the Neath Port Talbot Local Development Plan.

(1) Please note that for all decisions issued after 16th March 2016 for outline or full planning permission, a revised decision notice will be issued whenever a subsequent consent is given, for example providing details of any Reserved Matters approvals (outline applications only) and/or approval of conditions (including on Reserved Matters). This will ensure that the current status of the conditions applied to a consent is clear. Accordingly you are advised to visit [www.npt.gov.uk/planning](http://www.npt.gov.uk/planning) to view the application documentation to see if this is the current version, or whether it has been superseded by a more up-to-date revision of this Decision Notice. For Reserved Matters approvals the revised Decision Notice will only be shown under the Outline approval.

(2) Please note that this consent is specific to the plans and particulars approved as part of the application. Any departure from the approved plans will constitute unauthorised development and may be liable to enforcement action. You (or any subsequent developer) should advise the Council of any actual or proposed variations from the approved plans immediately so that you can be advised how to best resolve the matter.

(3) In addition, any conditions that the Council has imposed on this consent will be listed above and should be read carefully. It is your (or any subsequent developers) responsibility to ensure that the terms of all conditions are met in full at the appropriate time (as outlined in the specific condition). Please note that any works carried out without compliance with the conditions attached to this approval will be entirely at the risk of the persons involved and may result in formal action being taken by the Local Planning Authority.
