8. Trees - Reasons For Works

This section only needs to be completed if you are seeking consent to trees under a Tree Preservation Order (TPO)

Please state the reasons for carrying out the proposed works on the tree(s):

Trees number 1 & 2 both have extensive signs of ash dieback, although these trees present the characteristic reactive growth associated with the symptoms of ash dieback - due to leaf senescence and loss at this time of year it is difficult to demonstrate the extent of the disease and undertake works under a dead/dying exemption, So an application for their removal is being made.

Please indicate whether the reasons for carrying out the proposed works include any of the following. If so, your application must be accompanied by the documents specified.

Health or safety of the tree(s) - e.g. it is diseased, fears that it might break or fall:
