Informatives:

1 In order to ensure the road works you are required to undertake are carried out to the satisfaction of the Local Planning Authority and subsequently adopted if you so wish you are advised prior to commencing any work on these works to contact the Head of Engineering and Transport Services at The Quays, Brunel Way, Baglan Energy Park, Neath, SA11 2GG (FAO Mrs Delyth Thomas, telephone number (01639) 686404 or e-mail d.a.thomas@npt.gov.uk) to agree the specification, enter an adoption agreement and arrange onsite inspection of your works. Any agreement to adopt the roads relating to this development should be entered into with the Council prior to the commencement of development. Such an agreement will be under Section 38 of the Highways Act 1980 relating to the specification, timescale and subsequent adoption of the roads and a Bond to ensure that the Authority can complete the works if the Developer defaults on the roadworks. Prior to commencing any works on site the applicant will be required to enter into an agreement with the Authority under Section 278 of the Highway Act 1980 to carry

out the works upon the existing public highway. You are advised prior to commencing any work on these works to contact the Head of Engineering and Transport Services at The Quays, Brunel Way, Baglan Energy Park, Neath, SA11 2GG (FAO Mrs Delyth Thomas, telephone number (01639) 686404 or e-mail d.a.thomas@npt.gov.uk) to agree the specification, enter the agreement and arrange on site inspection of your works. Works on the Existing Highway Developers' attention is drawn to the provisions of Section 278 of the Highways Act, 1980 in cases where a development would require access or other works to be carried out within the existing highway. Where highway works to benefit a development require land adjacent to an existing highway to be constructed upon together with works on the existing public maintained highway, a hybrid S38/278 shall be used. Works that are to be undertaken within the existing public maintained highway only will require a S278 agreement. No Work shall be undertaken on the existing public maintained highway until the appropriate legal agreement has been entered into. Any works undertaken on the public highway without the appropriate legal agreement with the Highway Authority, the Highway Authority has the right to request the developer to remove and/or reinstate that part of the highway back to its original condition to the satisfaction of the Highway Authority. A plan detailing the differences between the existing and proposed highway shall be submitted to form part of the legal agreement, this should be made up of two colours, green for the proposed area to be adopted and brown for the existing highway. Developers are reminded that consent under the Town and Country Planning Act, 1990/91, conveys no approval for works to be undertaken affecting any part of the public highway, including verges and footways. The Developer must:-Obtain the approval of Neath Port Talbot County Borough Council as Highway Authority for the details of any works to be undertaken in the Public Highway. Indemnify the Authority against all claims arising from such works, including claims under the Land Compensation Act. Give not less than 10 working days notice in writing of the date of commencement of the works. As part of this process you are advised that only certain contractors are permitted to undertake the works on the public highway, a list of these contractors are available from the Highway Authority's Highway Development Control Section.

IMPORTANT:

(1) Please note that for all decisions issued after 16th March 2016 for outline or full planning permission, a revised decision notice will be issued whenever a subsequent consent is given, for example providing details of any Reserved Matters approvals (outline applications only) and/or approval of conditions (including on Reserved Matters). This will ensure that the current status of the conditions applied to a consent is clear. Accordingly you are advised to visit www.npt.gov.uk/planning to view the application documentation to see if this is the current version, or whether it has been superseded by a more up-to-date revision of this Decision Notice. For Reserved Matters approvals the revised Decision Notice will only be shown under the Outline approval.

(2) Please note that this consent is specific to the plans and particulars approved as part of the application. Any departure from the approved plans will constitute unauthorised development and may be liable to enforcement action. You (or any subsequent developer) should advise the Council of any actual or proposed variations from the approved plans immediately so that you can be advised how to best resolve the matter.

(3) In addition, any conditions that the Council has imposed on this consent will be listed above and should be read carefully. It is your (or any subsequent developers) responsibility to ensure that the terms of all conditions are met in full at the appropriate time (as outlined in the specific condition). Please note that any works carried out without compliance with the conditions attached to this approval will be entirely at the risk of the persons involved and may result in formal action being taken by the Local Planning Authority.

(4) The developer should have regard to Sections 4, 7, 8 and 8A of the Chronically Sick and Disabled Persons Act 1970 and to the British Standards Institution's Code of Practice for "Design of buildings and their approaches to meet the needs of disabled people" (BS 8300:2009+A1:2010).

(5) From 1st October 2012 it has been an offence to install a public sewer or lateral drain without having an adoption agreement in place. From the 1st October 2012 the vast majority of all existing private sewers and lateral drains which link with the public sewer network were transferred to Welsh Water. For further details on how this will affect your development please contact: Welsh Water Developer Services, PO Box 3146, Cardiff, CF30 0EH. Telephone No. 0800 9172652 or email: developer.services@dwrcymru.com.
