DATE REGISTERED: 27 February 2020

APPLICATION NO: P2020/0129

LOCATION: Land At, Heol Llwyn Celyn, Caewern, Neath

PROPOSAL: Construction of 5 bungalows (100% affordable housing) new access, retaining walls, associated works and the felling of two trees covered by a Tree Preservation Order.

NEATH PORT TALBOT COUNTY BOROUGH COUNCIL as the Local Planning Authority in pursuance of its power under the above mentioned Act and Order hereby **GRANTS PLANNING PERMISSION** for the development as described above to be carried out in accordance with the application and the plans submitted therewith, subject to compliance with the following conditions:

Conditions:-

Time Limit Conditions

- 1 The development hereby permitted shall be begun before the expiration of five years from the date of this permission.
Reason
To comply with the requirements of Section 91 of the Town and Country Planning Act 1990.

List of Approved Plans

- 2 The development shall be carried out in accordance with the following plans and documents:

19.228.11 Location Plan
19.228.05a Proposed site layout
19.228.08a Block plan
R507-SD-01 Biodiversity improvements/landscaping
R507-SD-02a Biodiversity Improvements/Landscaping
19.228.06 Elevations and Floorplans block of 3
19.228.07 Elevations and floor plans semi
19.228.10 Proposed site sections
Reason
In the interest of Clarity

Pre-Commencement Conditions

- 3 Prior to the commencement of development, a scheme for the relocation of the existing lighting column that conflicts with the new access (which shall include timings for completion) shall be submitted to and approved in writing by the local planning authority. The lighting column shall be relocated within the agreed timing and retained as such thereafter.
Reason
To ensure the lighting column does not restrict the access and the adopted highway is lit and to ensure the development complies with Policy BE1 of the Neath Port Talbot Local Development Plan.
- 4 Prior to the commencement of works, a scheme shall be submitted to and approved in writing by the Local Planning Authority detailing any retaining walls including full structural calculations for any walls 1.5m in height and higher. The approved retaining walls shall be fully implemented on site prior to the occupation of any dwelling, and retained as such thereafter.
Reason
In the interest of visual amenity, residential amenity of the neighbouring properties and land stability, and to ensure compliance with Policy BE1 and TR2 of the Neath Port Talbot Local Development Plan.
- 5 Prior to the commencement of work (including any setting up of site and site clearance) the tree protection fencing as identified on ArbTS_815.2_Llys Wern III_Tree Protection Plan shall be erected and maintained through clearance and construction works.
Reason
To ensure all existing trees are protected throughout the construction of the development, in the interest of visual amenity, and to ensure the development complies with Policies SP15 and BE1 of the Neath Port Talbot Local Development Plan.
- 6 Notwithstanding the submitted information No development shall take place, until a Construction Method Statement has been submitted to, and approved in writing by, the Local Planning Authority. The Construction method statement shall be made in accordance with the requirements of British Standard BS5228-1:2009 - Code of practice for noise and vibration control on construction and open sites. The approved Statement shall be adhered to throughout the demolition and construction phases. The Statement shall provide for:
 - i. the parking of vehicles of site operatives and visitors

- ii. Loading and unloading of plant and materials
- iii. Storage of plant and materials used in constructing the development
- iv. The erection and maintenance of security hoarding including decorative displays and facilities for public viewing, where appropriate
- v. wheel washing facilities to prevent deposition of material onto any hard surface road.
- Vi. Measures to control the emission of dust and dirt during construction
- vii. Measures to prevent stacking of vehicles onto the public highway.
- Viii. A scheme for recycling/disposing of waste resulting from demolition and construction works
- ix. A method statement showing the route of construction traffic to and from the development
- x. A scheme for the erection of temporary/semi temporary signage warning drivers of the presence of children and speed restrictions.
- Xi. Identification of the significant construction noise sources, detailing the physical and operational management controls necessary to mitigate emissions from these noise sources, as well as noise complaint investigation procedures.
- Xii. Hours of working on site, and specified hours for deliveries and any elements of the demolition or construction that could lead to amenity issues from noise and disturbance to adjoining properties

The Statement shall be signed by a competent person(s).

Reason:

In the interest of highway and pedestrian safety, the environment, and the amenity of residents, and to ensure accordance with Policies BE1, EN8 and TR2 of the adopted Neath Port Talbot Local Development Plan.

- 7 Prior to construction work commencing on any dwelling hereby permitted, details of a scheme to provide artificial nesting sites for birds and bat tube/bricks to each dwelling shall be submitted to and approved in writing by the local planning authority. All approved artificial nesting sites/ and bat brick/tubes shall be implemented in accordance with the approved details prior to occupation of each building to which it relates.

Reason

In the interest of biodiversity, and to mitigate to loss of bird nesting/foraging habitats under the Habitats Regulations (amended 2012) and to accord with Policy SP15 of the adopted Neath Port Talbot Local Development Plan.

- 8 Prior to their use in the construction of the development hereby permitted, details and samples of the materials to be used in the construction of the external surfaces of the development shall have been submitted to and approved in writing by the Local Planning Authority. Development shall be carried out in accordance with the approved details.

Reason:

In the interest of the visual amenity of the area and to ensure the development complies with Policy BE1 of the Neath Port Talbot Local Development Plan.

Action Conditions

- 9 Where any grassland and scrub is to be removed the following methodology must be used: First ensure that vegetation is cut to c.100mm in height one week prior to soil

stripping; then the vegetation shall be cut with hand-held machinery (e.g. strimmers and chainsaws) to reduce the risk of crushing. A further cut to approximately 50mm shall take place after a period of not less than 48 hours, then after a further 48 hours an ecologist shall hand search remaining habitat for the presence of reptiles or amphibians prior to topsoil stripping and root removal.

Reason:

To ensure conservation of protected species and their habitats, and to accord with Policy SP15 of the adopted Neath Port Talbot Local Development Plan.

- 10 All planting, hibernacula's, biodiversity enhancement area, features, seeding or turfing comprised in the landscaping details shown on drawings R507-SD-01 Biodiversity improvements/landscaping and R507-SD-02a Biodiversity Improvements/Landscaping hereby approved shall be carried out in the first planting and seeding seasons following the occupation of the buildings or the completion of the development, whichever is the sooner; and any trees or plants which within a period of 5 years from the completion of the development die, are removed or become seriously damaged or diseased shall be replaced in the next planting season with others of similar size and species.

Reason:

In the interests of maintaining a suitable scheme of landscaping to protect the visual amenity of the area, to maintain the special qualities of the landscape and habitats through the protection, creation and enhancement of links between sites and their protection for amenity, landscape and biodiversity value, and to ensure the development complies with Policies SP15 and BE1 of the Neath Port Talbot Local Development Plan.

- 11 A landscape management plan, including management responsibilities and maintenance schedules for all landscaped areas, other than privately owned domestic gardens, shall be submitted to and approved in writing by the local planning authority prior to the occupation of any of the dwellings on the site. The landscape management plan shall be carried out as approved.

Reason:

In the interest of visual amenity, and to ensure the long term management and maintenance of all landscaped areas that lie outside of the curtilage of individual properties, and to ensure the development complies with Policies SP15 and BE1 of the Neath Port Talbot Local Development Plan.

- 12 Notwithstanding condition 11 The Biodiversity enhancement area shall be managed and maintained in accordance with plan R507 SD-02 by whomever is detailed as responsible for the management and maintenance of this area, as detailed within condition 11

Reason

To ensure the biodiversity enhancement area is maintained accordingly and to ensure the development complies with Policies SP15 and BE1 of the Neath Port Talbot Local Development Plan.

- 13 The means of enclosure hereby approved shall be erected in accordance with drawing No 19.228.08a Block Plan, prior to the first beneficial use of any dwelling and retained as such thereafter.

Reason

In the interest of residential and visual amenity and to ensure accordance with Policy BE1 of the adopted Neath Port Talbot Local Development Plan.

- 14 Notwithstanding the details submitted, prior to the first beneficial use of the development hereby approved, the windows on the side elevation serving the bathrooms shall be fitted with obscured glazing, and any part of the window/s that is less than 1.7m above the floor of the room in which it is installed shall be non-opening. The windows shall be permanently retained as such thereafter,

Reason

In the interest of the amenities of the adjoining properties, and to ensure accordance with Policy BE1 of the adopted Neath Port Talbot Local Development Plan.

- 15 If the entire scheme is not Social Housing Grant Funded a scheme for the provision of affordable housing as part of the development shall be submitted to and approved in writing by the local planning authority. The affordable housing shall be provided in accordance with the approved scheme and shall meet the definition of affordable housing in Annex B of TAN 2 or any future guidance that replaces it. The scheme shall include:

- i) the numbers, type, tenure and location on the site of the affordable housing provision to be made which shall consist of not less than 100 % of housing units;
- ii) the timing of the construction of the affordable housing and its phasing in relation to the occupancy of the market housing;
- iii) the arrangements for the transfer of the affordable housing to an affordable housing provider [or the management of the affordable housing (if no RSL involved)];
- iv) the arrangements to ensure that such provision is affordable for both first and subsequent occupiers of the affordable housing; and
- v) the occupancy criteria to be used for determining the identity of occupiers of the affordable housing and the means by which such occupancy criteria shall be enforced.

Reason

Since the provision of a 100% affordable housing scheme forms part of the justification for development of this existing area of informal open space, and in order to accord with Policies AH1 and I1 of the Neath Port Talbot Local Development Plan.

- 16 Any works to trees shall be carried out in accordance with BS3998:2010 Tree work-recommendations and BS5837:2012 Trees in relation to design, demolition and construction.

Reason

To ensure all existing trees are protected throughout the construction of the development, in the interest of visual amenity, and to ensure the development complies with Policies SP15 and BE1 of the Neath Port Talbot Local Development Plan.

- 17 In the event that contamination is found at any time when carrying out the approved development that was not previously identified, work on site shall cease immediately and shall be reported in writing to the Local Planning Authority. A Desk Study, Site Investigation, Risk Assessment and where necessary a Remediation Strategy must be undertaken in accordance with the following document:- Land Contamination: A Guide for Developers (WLGA, WAG & EAW, July 2006). This document shall be submitted to and agreed in writing with the Local Planning Authority. Prior to

occupation of the development, a verification report which demonstrates the effectiveness of the agreed remediation, shall be submitted to and agreed in writing with the Local Planning Authority.

Reason:

To ensure that risks from land contamination to the future users of the land and neighbouring land are minimised, together with those to controlled waters, property and ecological systems, and to ensure that the development can be carried out safely without unacceptable risks to workers, neighbours and other off site receptors, and to ensure compliance with Policies SP16 and EN8 of the Neath Port Talbot Local Development Plan.

- 18 No building shall be occupied until the foul drainage system for the site has been completed in accordance with the approved details. Thereafter no surface water and/or land drainage shall be allowed to connect directly or indirectly with the public sewerage system.

Reason:

To prevent hydraulic overloading of the public sewerage system, to protect the health and safety of existing residents and ensure no pollution of or detriment to the environment, and ensure the development complies with Policy SP16 and BE1 of the Neath Port Talbot Local Development Plan.

- 19 The highway access and parking shall be constructed in accordance with drawing 19.228.08a prior to the first beneficial use of any dwelling and retained as such thereafter

Reason

In the interest of highway safety and to ensure the development complies with Policy TR2 of the Neath Port Talbot Local Development Plan.

- 20 Prior to the erection of any external street lighting, or spot lighting, a lighting scheme that incorporate best practice guidance to ensure the retention of dark corridors for the movement of bats with no direct lighting of trees and vegetation along the Northern Boundary, shall be submitted to and approved in writing by the Local Planning Authority. The lighting shall be erected in accordance with the agreed details and retained as such thereafter,

Reason

To ensure a dark corridor for bats is retained and to ensure the development complies with Policies SP15 and BE1 of the Neath Port Talbot Local Development Plan.

Regulatory Conditions

- 21 The car parking spaces as shown on drawing 19.228.08a shall be kept available for the parking of motor vehicles at all times.

Reason:

In the interest of highway safety, to ensure sufficient parking is retained and to ensure the development complies with Policy TR2 of the Neath Port Talbot Local Development Plan.

- 22 Notwithstanding the provisions of Schedule 2, Part 1, Class E of the Town and Country Planning (General Permitted Development) Order 1995 (as amended for Wales) (or any order revoking and re-enacting that order with or without

modification), no buildings shall be erected other than those expressly authorised by this permission and identified on the approved drawings.

Reason:

In order to safeguard the amenities of the area by enabling the Local Planning Authority to consider whether planning permission should be granted for garages or outbuildings having regard to the particular layout, design and restricted size of the development, residential amenity, and to accord with Policies BE1 and SC1 of the Neath Port Talbot Local Development Plan.

- 23 Notwithstanding the provisions of the Town and Country Planning (General Permitted Development) Order 1995 (as amended for Wales) (or any order revoking and re-enacting that Order with or without modification), there shall be no extension or external alteration to any building forming part of the development hereby permitted without the prior grant of planning permission in that behalf.

Reason:

In order to safeguard the amenities of the area by enabling the Local Planning Authority to consider whether planning permission should be granted for extensions, having regard to the restricted layout and design of the development and need to protect the amenity of nearby properties, and to accord with Policies BE1 and SC1 of the Neath Port Talbot Local Development Plan.

- 24 Notwithstanding the provisions of the Town and Country Planning (General Permitted Development) Order 1995 (as amended for Wales) (or any order revoking and re-enacting that Order with or without modification), no doors, windows or dormer windows (other than those expressly authorised by this permission) shall be constructed without the prior grant of planning permission in that behalf.

Reason:

In order to safeguard the amenities of the area by enabling the Local Planning Authority to consider whether planning permission should be granted or such additional doors/ windows, having regard to the particular layout and design of the development and need to protect the amenity of nearby properties, and to accord with Policies BE1 and SC1 of the Neath Port Talbot Local Development Plan.

Informatives:

1 The applicant is made aware that the responsibility for preventing pollution rests with those in control of the site and as such NRW recommend that all contractors and sub-contractors undergo a site induction that includes pollution risks and how to avoid them. If an incident should occur it should be reported as soon as possible to NRW's hotline 0300 065 3000. The applicant should be mindful that if an incident isn't reported and is later traced back to their site, this will be considered when it is decided what enforcement action will be taken.

2 As of 7th January 2019, this proposed development is subject to Schedule 3 of the Flood and Water Management Act 2010. The development therefore requires approval of Sustainable Drainage Systems (SuDS) features, in accordance with the Statutory standards for sustainable drainage systems - designing, constructing, operating and maintaining surface water drainage systems. It is therefore recommended that the developer engage in consultation with Neath Port Talbot County Borough Council, as the determining SuDS Approval Body (SAB), in relation to their proposals for SuDS features. Please note, Dwr Cymru Welsh Water is a statutory consultee to the SAB application process and will provide comments to any SuDS proposals by response to SAB

consultation. The applicant may need to apply to Dwr Cymru / Welsh Water for any connection to the public sewer under S106 of the Water Industry Act 1991. If the connection to the public sewer network is either via a lateral drain (i.e. a drain which extends beyond the connecting property boundary) or via a new sewer (i.e. serves more than one property), it is now a mandatory requirement to first enter into a Section 104 Adoption Agreement (Water Industry Act 1991). The design of the sewers and lateral drains must also conform to the Welsh Ministers Standards for Gravity Foul Sewers and Lateral Drains, and conform with the publication Sewers for Adoption- 7th Edition. Further information can be obtained via the Developer Services pages of www.dwrcymru.com. The applicant is also advised that some public sewers and lateral drains may not be recorded on our maps of public sewers because they were originally privately owned and were transferred into public ownership by nature of the Water Industry (Schemes for Adoption of Private Sewers) Regulations 2011. The presence of such assets may affect the proposal. In order to assist us in dealing with the proposal the applicant may contact Dwr Cymru Welsh Water to establish the location and status of the apparatus. Under the Water Industry Act 1991 Dwr Cymru Welsh Water has rights of access to its apparatus at all times.

3 Prior to commencing any works on site the applicant will be required to enter into an agreement with the Authority under Section 278 of the Highway Act 1980 to carry out the works upon the existing public highway. You are advised prior to commencing any work on these works to contact the Head of Engineering and Transport Services at The Quays, Brunel Way, Baglan Energy Park, Neath, SA11 2GG (FAO Mr Nick Waters, telephone number (01639) 686051 or e-mail n.waters1@npt.gov.uk) to agree the specification, enter the agreement and arrange on site inspection of your works.

4 Developers attention is drawn to the provisions of Section 278 of the Highways Act, 1980 in cases where a development would require access or other works to be carried out within the existing highway. Where highway works to benefit a development require land adjacent to an existing highway to be constructed upon together with works on the existing public maintained highway, a hybrid S38/278 shall be used. Works that are to be undertaken within the existing public maintained highway only will require a S278 agreement. No Work shall be undertaken on the existing public maintained highway until the appropriate legal agreement has been entered into. Any works undertaken on the public highway without the appropriate legal agreement with the Highway Authority, the Highway Authority has the right to request the developer to remove and/or reinstate that part of the highway back to its original condition to the satisfaction of the Highway Authority. A plan detailing the differences between the existing and proposed highway shall be submitted to form part of the legal agreement, this should be made up of two colours, green for the proposed area to be adopted and brown for the existing highway. Developers are reminded that consent under the Town and Country Planning Act, 1990/91, conveys no approval for works to be undertaken affecting any part of the public highway, including verges and footways. The Developer must:-(i) Obtain the approval of Neath Port Talbot County Borough Council as Highway Authority for the details of any works to be undertaken in the Public Highway.(ii) Indemnify the Authority against all claims arising from such works, including claims under the Land Compensation Act.(iii) Give not less than 1 calendar months' notice in writing of the date of commencement of the works. As part of this process you are advised that any principle contractors and/or subcontractors that are on the Local Authority's framework approved list are permitted to undertake the works on the public highway, a list of these contractors are available from the Highway Authority's Highway Development Control Section on request.

The development of this site will contribute towards the delivery of affordable housing within the County Borough in a sustainable location, and that subject to the imposition of conditions the proposed development would have no unacceptable impacts upon the character and appearance of the surrounding area, on residential amenity or on highway and pedestrian safety. Accordingly, the proposed development is considered to accord with Policies SP1, SP2, SP3, SP4, SP5, SP7, SP8, SP10, SP15, SP16, SP18, SP20, SP21, SC1, SC2, I1, H1, AH1, OS1, EN7, EN8, RE2, TR2 and BE1 of the Neath Port Talbot Local Development Plan and national guidance in Planning Policy Wales (Edition 10) 2018 and associated Technical Advice Notes.

It is further considered that the decision complies with the Council's well-being objectives and the sustainable development principle in accordance with the requirements of the Well-being of Future Generations (Wales) Act 2015.

A handwritten signature in black ink, appearing to read 'Ceri Morris', is positioned above the printed name.

Signed:

Ceri Morris – Head of Planning & Public Protection

Date: 16 October 2020

IMPORTANT:

(1) Please note that for all decisions issued after 16th March 2016 for outline or full planning permission, a revised decision notice will be issued whenever a subsequent consent is given, for example providing details of any Reserved Matters approvals (outline applications only) and/or approval of conditions (including on Reserved Matters). This will ensure that the current status of the conditions applied to a consent is clear. Accordingly you are advised to visit www.npt.gov.uk/planning to view the application documentation to see if this is the current version, or whether it has been superseded by a more up-to-date revision of this Decision Notice. For Reserved Matters approvals the revised Decision Notice will only be shown under the Outline approval.

(2) Please note that this consent is specific to the plans and particulars approved as part of the application. Any departure from the approved plans will constitute unauthorised development and may be liable to enforcement action. You (or any subsequent developer) should advise the Council of any actual or proposed variations from the approved plans immediately so that you can be advised how to best resolve the matter.

(3) In addition, any conditions that the Council has imposed on this consent will be listed above and should be read carefully. It is your (or any subsequent developers) responsibility to ensure that the terms of all conditions are met in full at the appropriate time (as outlined in the specific condition). Please note that any works carried out without compliance with the conditions attached to this approval will be entirely at the risk of the persons involved and may result in formal action being taken by the Local Planning Authority.

(4) The developer should have regard to Sections 4, 7, 8 and 8A of the Chronically Sick and Disabled Persons Act 1970 and to the British Standards Institution's Code of Practice for "Design of buildings and their approaches to meet the needs of disabled people" (BS 8300:2009+A1:2010).

(5) From 1st October 2012 it has been an offence to install a public sewer or lateral drain without having an adoption agreement in place. From the 1st October 2012 the vast majority of all existing private sewers and lateral drains which link with the public sewer network were transferred to Welsh Water. For further details on how this will affect your development please contact: Welsh Water Developer Services, PO Box 3146, Cardiff, CF30 0EH. Telephone No. 0800 9172652 or email: developer.services@dwrcymru.com.

IMPORTANT INFORMATION: TOWN AND COUNTRY PLANNING ACT 1990

The applicant's attention is drawn to the notes below.

- (1) If the applicant is aggrieved by the decision of the Local Planning Authority to refuse permission for the proposed development or to grant it subject to conditions, then you can appeal to the Welsh Government under Section 78 of the Town and Country Planning Act 1990 (as amended).
- (2) You can also appeal to the Welsh Government against a decision to refuse permission or grant subject to conditions in respect of applications made for :- Listed Building or Conservation Area Consent; Consent under a Tree Preservation Order; Advertisement Consent.
- (3) You can also appeal If your application for a Certificate of Lawful Existing Use or Lawful Proposed Use is partly or wholly refused or is granted differently from what you asked for (under Section 195/196) of the Town and Country Planning Act 1990 (as amended).
- (4) If you are aggrieved of the LPAs decision, the following deadlines apply for appeals to be submitted to the Welsh Government (from the date of the Council's decision):-

(1) Planning Permission (with the exception of Minor Commercial and Householder applications – see below)	Within 6 Months
(2) Householder Appeal see endnote i	Within 12 weeks
(3) Minor Commercial Appeal see endnote i	Within 12 weeks
(4) Listed Building or Conservation Area Consent appeals	Within 6 months
(5) Tree Preservation Order (TPO) Consent	Within 28 days
(6) Advertisement Consent	Within 8 weeks
(7) Certificate of Lawfulness of Existing (Section 191) or Proposed (Section 192) Use or Development	Within 6 months
(8) Hazardous Substances Consent	Within 6 months
- (5) Appeals must be made on a form which is obtainable from the Planning Inspectorate, Crown Buildings, Cathays Park, Cardiff, CF10 3NQ – Tel 0303 444 5940, or online at www.planningportal.gov.uk/pcs .
- (6) The Welsh Government has power to allow a longer period for the giving of notice of appeal but they will not normally be prepared to exercise this power unless there are special circumstances which excuse the delay in giving notice of appeal.
- (7) The Welsh Government is not required to entertain an appeal if it appears to them that permission for the proposed development could not have been granted having regard to the statutory requirements to the provisions of the development order, and to any directions given under the Order. They do not in practice refuse to entertain appeals solely because the decision of the Local Planning Authority was based on a direction given by them.
- (8) If permission to develop land is refused or granted subject to conditions, whether by the Local Planning Authority or by the Welsh Government, and the owner of the land claims that the land has become incapable of reasonable beneficial use in its existing state and cannot be rendered capable of reasonable beneficial use by the carrying out of any development which has been or would be permitted, he may serve on the County Borough Council, in which the land is situated, as the case may be, a **purchase notice** requiring that Council purchase his interest in the land

in accordance with the provisions of Part VI of the Town and Country Planning Act 1990.

Making an Appeal

- (9) Please note that for all applications received by the LPA after 5th May 2017, it is now a requirement that any appeal made to the Planning Inspectorate (other than Householder and Minor Commercial Appeals, and appeals against refusal to grant advertisement consent) must be accompanied by all the information and evidence you intend to rely upon (**a “full statement of case”**). You must also send a copy of the notice of appeal and full statement of case to the LPA.
- (10) In addition, for ‘planning appeals’ an amendment to an application following notice of appeal may only be made to correct an error.
- (11) Additional details and information on making an appeal to the Welsh Government is available from the Planning Inspectorate at the above address and website. The relevant documents are entitled “making your planning appeal” and “planning appeals Public Local Inquiries”.
- (12) Further correspondence regarding this application should bear the reference number quoted on the top of the decision notice.

THIS NOTICE RELATES ONLY TO A PLANNING DECISION AND DOES NOT RELATE TO OTHER LEGISLATION INCLUDING ANY LEGISLATION UNDER:

- BUILDING REGULATIONS – Please contact buildingcontrol@npt.gov.uk or 01639 686949 to discuss all aspects of the service that is offered by Building Control
- HIGHWAY LEGISLATION

IF PLANNING CONSENT HAS BEEN GRANTED IT IS ADVISABLE TO ESTABLISH WHETHER ANY OTHER FORM OF CONSENT IS REQUIRED AND TO OBTAIN SUCH CONSENT BEFORE COMMENCING DEVELOPMENT

ⁱ Please see the [Town and Country Planning \(Referred Applications and Appeals Procedure\) \(Wales\) Regulations 2017](#) for appeal procedures and for full definitions of:

- “*householder application*” (essentially an application for the enlargement, improvement or other alteration of a dwellinghouse, or development within the curtilage of such a dwellinghouse, or change of use to enlarge the curtilage of a dwelling house)
- “*householder appeal*” means an appeal in relation to a householder application, but excludes an appeal against conditions on the grant of planning permission; or an appeal which is accompanied by an enforcement or listed building consent appeal.
- “*minor commercial application*” (essentially relates to existing buildings of no more than 250 square metres gross external floor space at ground floor level, currently in use for any of the purposes set out in Schedule 1A to The Town and Country Planning (Development Management Procedure) (Wales) (Amendment) Order 2015 which is an application for change of use from Class A1 to A2 or A3; or Class A2 to A3); or the carrying out of building or other operations to a shop front.
- “*minor commercial appeal*” means an appeal in relation to a minor commercial application but excludes an appeal against conditions on the grant of planning permission; or an appeal which is accompanied by an enforcement or listed building consent appeal.
