Capacity and General Use

The main hall will have the potential to accommodate 100 people. This is required for the special services such as the Christmas Carol Service.

The building will not be operated on a Commercial basis i.e. it will not rely on its letting for rent to sustain it in its operation and upkeep, this will be achieved, as now, through the normal church donations.

The building will not have an alcohol license as no alcohol will be permitted on the premises.
