

Superseded

The Johnston & Jeff Classic Nest Box with Shingle Roof has a 30mm entrance hole suitable for Tits, Sparrows, Nuthatches, Redstarts and Flycatchers. It has a decorative shingle-style roof to give your garden some character along with helping your local feathered friends.

Wood colour: Larch, Dark oak

Dimensions: H 2120 x W 120 x D 172mm

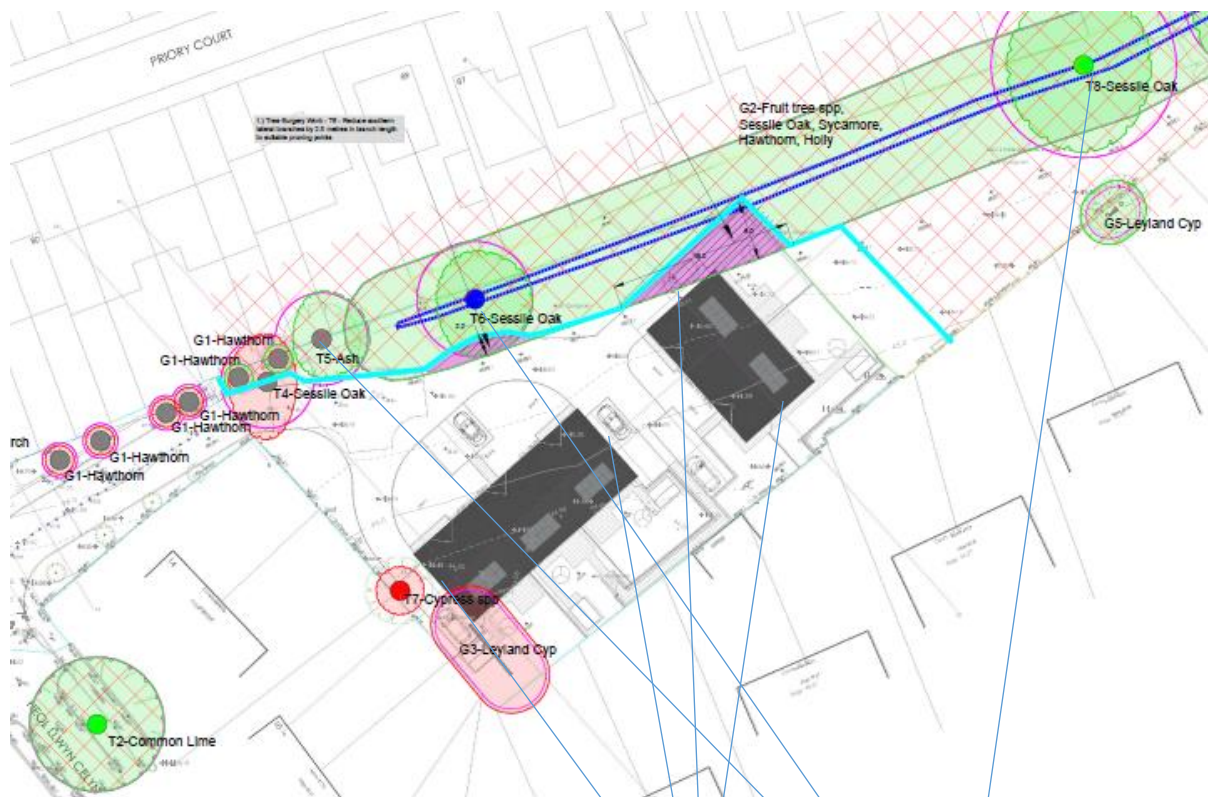

Weight: 0.72kg

Bat Brick

The bat brick is a standard sized brick, shaped especially to allow bats to access the cavity of a house. They can be incorporated during both new build or renovation projects. The bricks are available in three standard colours - Red, **Golden** and Brown.

Superseded

Bat Bricks (1 brick on each gable end below roof apex)

Nesting Boxes (3 boxes fixed to existing trees in biodiversity area of the site)
