Dear Ms Bowen,

Re: Swansea Bay Technology Centre – Temporary Storage Site – Condition 1 Discharge

We hereby confirm the aforementioned site will remain unaltered and that all paraphernalia / chattels associated with its temporary use shall be removed prior to 30th November 2022.

The site will benefit from the addition of temporary fencing and separation membrane for the storage of topsoil. These items shall be removed from site as soon as practicably possible but no later than 30th November 2022.

I therefore confirm that the site shall be restored to its previous condition as set out in condition one of the associated planning permission.

Yours sincerely

Darren Rhys Thomas
