

# GLYNNEATH DEVELOPMENT

## PLANTING PLAN

### KEY

-  Existing trees
-  Route Protection Area (RPA)
-  Area of Arboriculture Watching Brief (AWB)
-  Tree Root Protection Fence. (Not to be moved without written approval from arboricultural consultant).
-  Existing privet hedge

| Tree Schedule |              |            |                  |                          |
|---------------|--------------|------------|------------------|--------------------------|
| Tree No.      | Tree Species | Girth (cm) | Tree description | Works                    |
| 1             | Alder        | 69         | Semi mature      | Off site/Be aware of RPA |
| 2             | Birch        | 128        | Semi mature      | RPA to be fenced         |
| 3             | Birch        | 129        | Semi mature      | RPA to be fenced         |
| 4             | Alder        | 124        | Semi mature      | RPA to be fenced         |
| 5             | Birch        | 104        | Semi mature      | RPA to be fenced         |
| 6             | Alder        | 115        | Semi mature      | RPA to be fenced         |
| 7             | Ash          | 130        | Dead             | Tree to be Removed       |
| 8             | Lime         | 85         | Semi mature      | RPA to be fenced         |
| 9             | Lime         | 138        | Semi mature      | RPA to be fenced         |
| 10            | Pine         | 258        | Mature           | RPA to be fenced         |
| 11            | Lime         | 227        | Mature           | RPA to be fenced         |
| 12            | Hornbeam     | 110        | Semi mature      | RPA to be fenced         |
| 13            | Ash          | 122        | Dead             | Tree to be Removed       |
| 14            | Pine         | 225        | Mature           | RPA to be fenced         |
| 15            | Holly        | 150        | Mature           | RPA to be fenced         |
| 16            | Birch        | 90         | Mature           | RPA to be fenced         |
| 17            | Sycamore     | 140        | Mature           | RPA to be fenced         |
| 18            | Sycamore     | 112        | Mature           | RPA to be fenced         |
| 19            | Birch        | 146        | Mature           | RPA to be fenced         |
| 20            | Sycamore     | 144        | Mature           | RPA to be fenced         |
| 21            | Ash          | 151        | Dead             | Tree to be Removed       |
| 22            | Birch        | 123        | Mature           | Off site/Be aware of RPA |
| 23            | Oak          | 260        | Mature           | Off site/Be aware of RPA |
| 24            | Pine         | 250        | Mature           | Off site/Be aware of RPA |
| 25            | Cedar        | 230        | Mature           | Off site/Be aware of RPA |
