This architectural drawing shows a vertical section of a building facade. On the left, a staircase is depicted with horizontal steps and a vertical wall. To the right of the staircase is a large, rectangular wall section. This wall features a window with a horizontal division. Below the window, the number '600' is written, indicating a dimension. The drawing uses simple lines to represent the building's structure and shading to indicate depth and material.

	A	Window & door types & layout amended as advised.
