Dear Alex,

Re: Development of 24 no. residential units at Land of Pant Celydd, Margam

I write in respect of the above development proposal;

All units will be owned and managed by Tai Tarian (a registered social landlord) and all units will be social rented.

The allocation of each unit will be in line with Tai Tarian's standard lettings policy and procedures. Should a copy of this be required it can be made available.

Should you require any additional information please do not hesitate to contact me.

Yours sincerely

Andrew Hall

Development Manager
