Drawing Purpose PLANNING

A horizontal beam of length 10m is shown, divided into 10 equal segments of 1m each. The segments alternate between black and white, starting with a black segment at 0m. The segments are labeled 0M, 5M, and 10M at their boundaries.

CJ Construction

The logo for LeTrucco design ARCHITECTURE features a stylized graphic on the left consisting of a vertical black line and a horizontal blue line intersecting. To the right of this graphic, the text "LeTrucco design" is written in a large, black, sans-serif font, with "LeTrucco" on the top line and "design" on the bottom line. Below "LeTrucco design", the word "ARCHITECTURE" is written in a smaller, blue, all-caps, sans-serif font, with wide letter spacing. To the right of the main text, there is a vertical list of services: "Draw", "PLA", "Clien", "C.I.C", "Job Tr", and "Pant", each on a separate line and separated from the main text by a vertical black line. At the bottom of the advertisement, the address "Suite 7, 35 Stow Park Circle" and "Newport, NP20 4HF" are listed, followed by the telephone number "Tel: 07710390800 / 07710390801".
