

This architectural floor plan shows a rectangular building with a gabled roof. The left side of the plan is defined by a diagonal line representing the roof slope. On the right wall, there are two large, vertically oriented rectangular windows, each divided into three horizontal panes. On the bottom wall, there is a smaller rectangular window to the left of a door. The door is a double door with a central handle and a small rectangular window above it. A short horizontal line segment is located just outside the bottom right corner of the building.

A line drawing of a house. The house has a gabled roof. On the left side, there is a chimney. In the center, there is a window with a small rectangular opening above it. On the right side, there is a door with a small rectangular opening above it. The house is surrounded by a fence.

The second floor plan includes three bedrooms: Bedroom 1 (top right), Bedroom 2 (top left), and Bedroom 3 (bottom left). A central bathroom is located between the top bedrooms. A living area with a fireplace is situated in the center, featuring a curved wall and a staircase leading down. A fireplace is also located in Bedroom 3. A terrace with a glass door is attached to Bedroom 3. The plan also shows a closet, a linen closet, and a storage area.
