

8. Trees - Reasons For Works

This section only needs to be completed if you are seeking consent for proposed works to trees under a Tree Preservation Order (TPO)

Please state the reasons for carrying out the proposed works on the tree(s):

The reason for carrying out proposed work is that it's been 10 years since the 4 oak trees had crown reduction carried out. In this time they have grown to such a height it's reducing the sunlight into the garden, there's also deadwood which needs to be removed as it hanging over the lane at the rear of 6 Princess Drive which is continually being used by walkers this is a safety concern

Please indicate whether the reasons for carrying out the proposed works include any of the following. If so, your application must be accompanied by the documents specified.

Health or safety of the tree(s) - e.g. it is diseased, fears that it might break or fall:

☐ Yes

☒ No

If Yes, information required - report by a tree professional (e.g. arboriculturist, horticultural adviser).

Alleged subsidence damage:

☐ Yes

☒ No

If Yes, Information required: Full report by an engineer or surveyor, together with one from a tree professional - to include date and description of property damage; sub-soil type and shrinkage potential; location of any roots found and their identification; history of ground and building movement through a distortion survey and/or level or crack monitoring over suitable period; other vegetation in the vicinity and its management since discovery of the damage.

9. Trees - Additional Information

Are you providing additional information in support of your application?

☒ Yes

☐ No

If Yes, please provide the reference numbers of plans, documents, professional reports etc in support of your application:
