TREE REPORT REF:
JPB/GRHIWLAS2.

Dear Planning,

Having viewed the said ash at the rear gardens of no's 6 AND 7, Rhinlas, Neath, we recommend it is felled/removed on grounds of Health and safety. Ash die-back is causing this tree to deteriorate and has been monitored by the applicant during the past couple of years and concerns are now rising due to the amount of dead/brittle wood falling onto residential and public areas; (PUBLIC FOOTPATH BEHIND). I'm also aware severe damage has been caused to the summer house roof in the garden of no.6 and needed roof repairs. The ash removal will be carried out promptly upon your approval, we look forward to your reply.

Yours faithfully
John B. B.
