Dear Sir,

External Lighting Design Strategy, Park Street, Glyncorrwg

We confirm our external lighting design for the above scheme includes for the provision of security lighting to the front and rear of the properties in compliance with Welsh Assembly Government DQR requirements. We have also considered the lux level output of the local authority street lighting columns to the front of the properties.

Please see attached technical data sheets for the front and rear lights.

If you require any further information please do not hesitate to contact us.

Yours faithfully,

Lee Turner
