Informatives:

1 The developer is advised that if the proposed café wish to sell hot food/drink between the hours of 11pm - 5am or alcohol, then a premises licence would be required.

2 It is an offence under Section 153 of the Highways Act 1980 for any door or window to open out over the public highway and cause a nuisance or danger to users of the highway. In designing or ordering the windows (replacement windows) care should be taken to ensure they are of a type which will not do so and it is recommended that you consider inward opening types only. The developer's attention is drawn to the provisions in the Highways Act 1980. If any works are required within the highway, the written consent of the Highway Authority is required to be sought. This includes the placement of any skips, scaffolding, hoarding or any traffic management on the highway. If any damage arises to the highway as a consequence of any works adjoining the highway, the damage will be required to be made good to the satisfaction of the Highway Authority. Failure to do so may result in the Highway Authority making good the damage and recovering any expenses reasonably incurred by them in so doing. You should therefore contact the Highways Maintenance Unit of Neath Port Talbot County Borough Council at The Quays, Brunel Way, Baglan Energy Park, Neath, SA11 2GG FAO Gary Thomas (Tel No. 01639 686327) e-mail g.thomas3@npt.gov.uk to discuss any licenses or approval required. This is required to be undertaken before any works commence on the highway.

3 The developer is advised to consider installing flood proofing measures throughout the property as part of the conversion works such as water-proof plaster or raising plug socks. Please visit NRW's website for further information: <https://naturalresources.wales>.

Reason for Decision:

The decision to recommend planning permission has been taken in accordance with Section 38 of The Planning and Compulsory Purchase Act 2004, which requires that, in determining a planning application the determination must be in accordance with the Development Plan unless material considerations indicate otherwise. The Development Plan comprises Future Wales - the National Plan 2040 and the Neath Port Talbot Local Development Plan (2011-2026) adopted January 2016.

It is considered that the proposed development would not have a detrimental impact upon residential amenity or upon the character and appearance of the surrounding area, and there would be no adverse impact upon highway and pedestrian safety. Hence, the

proposed development would be in accordance with Policies SC1, SC2, R2, TR2 and BE1 of the Neath Port Talbot Local Development Plan.

It is further considered that the decision complies with Future Wales - the National Plan 2040 and the Council's well-being objectives and the sustainable development principle in accordance with the requirements of the Well-being of Future Generations (Wales) Act 2015.

Signed: 

Ceri Morris – Head of Planning & Public Protection

Date: 24 May 2021

IMPORTANT:

(1) Please note that for all decisions issued after 16th March 2016 for outline or full planning permission, a revised decision notice will be issued whenever a subsequent consent is given, for example providing details of any Reserved Matters approvals (outline applications only) and/or approval of conditions (including on Reserved Matters). This will ensure that the current status of the conditions applied to a consent is clear. Accordingly you are advised to visit www.npt.gov.uk/planning to view the application documentation to see if this is the current version, or whether it has been superseded by a more up-to-date revision of this Decision Notice. For Reserved Matters approvals the revised Decision Notice will only be shown under the Outline approval.

(2) Please note that this consent is specific to the plans and particulars approved as part of the application. Any departure from the approved plans will constitute unauthorised development and may be liable to enforcement action. You (or any subsequent developer) should advise the Council of any actual or proposed variations from the approved plans immediately so that you can be advised how to best resolve the matter.

(3) In addition, any conditions that the Council has imposed on this consent will be listed above and should be read carefully. It is your (or any subsequent developers) responsibility to ensure that the terms of all conditions are met in full at the appropriate time (as outlined in the specific condition). Please note that any works carried out without compliance with the conditions attached to this approval will be entirely at the risk of the persons involved and may result in formal action being taken by the Local Planning Authority.

(4) The developer should have regard to Sections 4, 7, 8 and 8A of the Chronically Sick and Disabled Persons Act 1970 and to the British Standards Institution's Code of Practice for "Design of buildings and their approaches to meet the needs of disabled people" (BS 8300:2009+A1:2010).

(5) From 1st October 2012 it has been an offence to install a public sewer or lateral drain without having an adoption agreement in place. From the 1st October 2012 the vast majority of all existing private sewers and lateral drains which link with the public sewer network were transferred to Welsh Water. For further details on how this will affect your development please contact: Welsh Water Developer Services, PO Box 3146, Cardiff, CF30 0EH. Telephone No. 0800 9172652 or email: developer.services@dwrcymru.com.
