PROPOSAL: Variation of condition 1 of planning application P2018/0694
(granted on 09.10.18) to allow a further 2 years for the
commencement of development

NEATH PORT TALBOT COUNTY BOROUGH COUNCIL as the Local Planning Authority in pursuance of its power under the above mentioned Act and Order hereby **GRANTS PLANNING PERMISSION** for the development as described above to be carried out in accordance with the application and the plans submitted therewith, subject to compliance with the following conditions:

Conditions:-

Time Limit Conditions

List of Approved Plans

- 1 The development shall be carried out in accordance with the following approved plans and documents:
 - Proposed block Plan - Drawing 2
 - Proposed elevations - Drawing 1
 - Proposed floor plans - Drawing 3
 - Proposed roof floor plan - Drawing 5
 - Site location plan - Drawing 4

Reason
In the interests of clarity.

Pre-Commencement Conditions

- 2 No development shall commence, including any works of demolition, until a Construction Method Statement has been submitted to and approved in writing by the Local Planning Authority. The approved statement shall be adhered to throughout the construction period. The statement shall provide for:
- a) the parking of vehicles of site operatives and visitors;
 - b) loading and unloading of plant and materials;
 - c) storage of plant and materials used in constructing the development;
 - d) the erection and maintenance of security hoarding including decorative displays and facilities for public viewing, where appropriate;
 - e) wheel washing facilities;
 - f) measures to control the emission of dust and dirt during demolition and construction; and
 - g) a scheme for recycling/disposing of waste resulting from demolition and construction works.

Reason:

In the interest of highway and pedestrian safety, the environment, and the amenity of residents, and to ensure accordance with Policies BE1 and TR2 of the adopted Neath Port Talbot Local Development Plan.

- 3 No development shall commence on site until an assessment of the nature and extent of contamination affecting the application site area has been submitted to and approved in writing by the Local Planning Authority. This assessment must be carried out by or under the direction of a suitably qualified competent person in accordance with BS10175 (2011) 'Investigation of Potentially Contaminated Sites Code of Practice' and shall assess any contamination on the site, whether or not it originates on the site. The report of the findings shall include:
- (i) a desk top study to identify all previous uses at the site and potential contaminants associated with those uses and the impacts from those contaminants on land and controlled waters. The desk study shall establish a 'conceptual site model' (CSM) which identifies and assesses all identified potential source, pathway, and receptor linkages;
 - (ii) an intrusive investigation to assess the extent, scale and nature of contamination which may be present, if identified as required by the desk top study;
 - (iii) an assessment of the potential risks to:
 - human health,
 - groundwater and surface waters
 - adjoining land,
 - property (existing or proposed) including buildings, crops, livestock, pets, woodland and service lines and pipes,- ecological systems,
 - archaeological sites and ancient monuments; and
 - any other receptors identified at (i)
 - (iv) an appraisal of remedial options, and justification for the preferred remedial option(s).

Reason:

To ensure that information provided for the assessment of the risks from land contamination to the future users of the land, neighbouring land, controlled waters, property and ecological systems is sufficient to enable a proper assessment, and to ensure compliance with Policies SP16 and EN8 of the Neath Port Talbot Local Development Plan.

- 4 No development shall commence on site, and if required by Condition 4, until a remediation scheme to bring the site to a condition suitable for the intended use by removing any unacceptable risks to human health, buildings, other property and the natural and historic environment shall be prepared and submitted to and approved in writing with the Local Planning Authority. The scheme shall include all works to be undertaken, proposed remediation objectives, remediation criteria and site management procedures. The measures proposed within the remediation scheme shall be implemented in accordance with an agreed programme of works.

Reason:

To ensure that risks from land contamination to the future users of the land and neighbouring land are minimised, together with those to controlled waters, property and ecological systems, and to ensure that the development can be carried out safely without unacceptable risks to workers, neighbours and other offsite receptors, and to ensure compliance with Policies SP16 and EN8 of the Neath Port Talbot Local Development Plan.

- 5 Notwithstanding the submitted details, prior to commencement of development on site, details of the proposed finished floor levels of the development together with existing and proposed cross and longitudinal sections through the site, shall be submitted to, and approved in writing by the local planning authority. The development shall be completed in accordance with these agreed details/levels.

Reason

In the interest of the amenities of the area and to ensure a satisfactory street picture and Policy BE1 of the Local Development Plan

- 6 Prior to any building works commencing, the Fallopia Japonica (Japanese Knotweed) that is located on the site shall be treated and eradicated in accordance with the Natural Resources Wales Knotweed Code of Practice (Version 3, 2013)

Reason

In the interests of amenity, and to ensure that the treatment is carried out in accordance with recognised good practice and Policies EN5 and EN6 of the Local Development Plan

Action Conditions

- 7 No development shall take place until an arboricultural method statement, (appropriate and specific to the approved scheme), to include details of all works within the root protection area, or crown spread [whichever is greater], of any retained tree, has been submitted to and agreed in writing by the Local Planning Authority. If commencement of the development is delayed by more than 12 months from the date of the most

recent arboricultural method statement, a further updated statement shall be undertaken, and submitted to and approved in writing by the local planning authority before development commences. The development shall be implemented in full accordance with the approved details.

Reason:

In the interest of clarity and good tree husbandry and Policies BE1, EN6 and EN7 of the Local Development Plan

- 8 Prior to beneficial use of the proposed development commencing, and if required by Condition 3, a verification report which demonstrates the effectiveness of the agreed remediation works carried out in accordance with condition 4 shall be submitted to and agreed in writing with the Local Planning Authority.

Reason

To ensure that risks from land contamination to the future users of the land and neighbouring land are minimised, together with those to controlled waters, property and ecological systems, and to ensure that the development can be carried out safely without unacceptable risks to workers, neighbours and other offsite receptors and Policy EN8 of the Local Development Plan

- 9 In the event that contamination is found at any time when carrying out the approved development that was not previously identified, work on site shall cease immediately and shall be reported in writing to the Local Planning Authority. A Desk Study, Site Investigation, Risk Assessment and where necessary a Remediation Strategy must be undertaken in accordance with the following document:- Land Contamination: A Guide for Developers (WLGA, WAG & EAW, July 2006). This document shall be submitted to and agreed in writing with the Local Planning Authority. Prior to occupation of the development, a verification report which demonstrates the effectiveness of the agreed remediation, shall be submitted to and agreed in writing with the Local Planning Authority.

Reason:

To ensure that risks from land contamination to the future users of the land and neighbouring land are minimised, together with those to controlled waters, property and ecological systems, and to ensure that the development can be carried out safely without unacceptable risks to workers, neighbours and other off site receptors, and to ensure compliance with Policies SP16 and EN8 of the Neath Port Talbot Local Development Plan.

- 10 Prior to their use in the construction of the development hereby permitted, details and/or samples of the materials to be used in the construction of the external surfaces of the development shall have been submitted to and approved in writing by the Local Planning Authority. Development shall be carried out in accordance with the approved details.

Reason:

In the interest of the visual amenity of the area and to ensure the development complies with Policy BE1 of the Neath Port Talbot Local Development Plan.

- 11 Notwithstanding the details submitted, prior to the first beneficial use of the dwelling hereby approved, the window to the east elevation serving bedroom 2 shall be fitted

with obscured glazing, and any part of the window/s that is less than 1.7m above the floor of the room in which it is installed shall be non-opening. The windows shall be permanently retained as such thereafter,

Reason :

In the interest of the amenities of the adjoining property/ies, and to ensure accordance with Policy BE1 of the adopted Neath Port Talbot Local Development Plan.

- 12 Prior to the first beneficial occupation of the dwelling(s) hereby permitted, an artificial nesting site for birds shall be erected on the dwelling to one of the following specifications, and retained as such thereafter;

Nest Box Specifications for House Sparrow Terrace:

Wooden (or woodcrete) nest box with 3 sub-divisions to support 3 nesting pairs. To be placed under the eaves of buildings.

Entrance holes: 32mm diameter

Dimensions: H310 x W370 x D185mm

or

Swift Nest Box Specification:

Wide box with small slit shaped entrance hole. Must be placed under or close to roofs, at least 5m from the ground.

Dimensions: H150 x W340 x D150mm

Reason:

In the interest of biodiversity, and to mitigate to loss of bird nesting/foraging habitats under the Habitats Regulations (amended 2012) and to accord with Policy SP15 of the adopted Neath Port Talbot Local Development Plan.

- 13 Prior to first occupation of the proposed dwelling the three off street parking spaces as shown on the approved plans shall be constructed and hard surfaced in a permeable material. Three off street parking spaces shall be retained open and free for such use thereafter.

Reason

Highway safety by ensuring adequate and useable off street parking is provided.

- 14 All retained trees that may be directly affected by the proposed development, including encroachment into Root Protection Areas, shall be adequately protected as specified in Figure 2 (page 20) BS5837:2012 'Trees in relation to Construction' by the provision of root zone protection (protective fencing). The erection of fencing for the protection of any retained tree shall be undertaken before any equipment, machinery or materials are brought on to the site for the purposes of the development, and shall be maintained until all equipment, machinery and surplus materials have been removed from the site. Nothing shall be stored or placed in any area fenced in accordance with this condition and the ground levels within those areas shall not be altered, nor shall any excavation be made, without the written consent of the local planning authority.

Reason

In order to protect the long term health of the trees to be retained and Policies EN6 and EN7 of the Local Development Plan

- 15 Prior to the occupation of the dwelling hereby approved a scheme indicating the positions, height, design, materials and type of boundary treatment to be erected to all boundaries shall be submitted to and approved in writing by the Local Planning Authority. any means of enclosure opposite the garage for number 35 New Road shall be set back to a line measured at 7 metres from the front of this garage and the lane shall be maintained at 7 metres width along this section and retained and maintained as such thereafter. The boundary treatment shall be completed, as approved, prior the first beneficial use is of the dwelling and retained as such thereafter.

Reason:

In the interest of visual amenity and to ensure compliance with Policy BE1 of the Neath Port Talbot Local Development Plan.

- 16 Prior to occupation of the proposed dwelling the existing lane shall be surfaced in bituminous materials and for a minimum length of 15 metres from the kerbline onto New Road and maintained and retained as such thereafter.

Reason

In the interest of the amenity of residents and Policy TR2 and BE1 of the Local Development Plan

- 17 Notwithstanding the details shown on the block plan and prior to first occupation of the proposed dwelling the forecourt boundary onto New Road shall be set back to a line measured at 2.4 metres back from the kerbline and the area forward of this boundary shall be made up as footway construction and shall be retained open and free for such use thereafter.

Reason

In the interests of highway safety by protecting the visibility out of the existing lane and Policy TR2 of the Local Development Plan

Regulatory Conditions

- 18 Foul water and surface water discharges shall be drained separately from the site. No surface water and land drainage run-off shall be allowed to connect/discharge (either directly or indirectly) to the public sewerage system.

Reason

To prevent hydraulic overload of the public sewerage system and pollution of the environment and Policy EN8 and BE1 of the Local Development Plan

- 19 Notwithstanding the provisions of the Town and Country Planning (General Permitted Development) Order 1995 (as amended for Wales) (or any order revoking and re-enacting that Order with or without modification), there shall be no extension or external alteration to any building forming part of the development hereby permitted without the prior grant of planning permission in that behalf.

Reason:

In order to safeguard the amenities of the area by enabling the Local Planning Authority to consider whether planning permission should be granted for extensions, having regard to the particular layout and design of the development and need to

protect the amenity of nearby properties, and to accord with Policies BE1 and SC1 of the Neath Port Talbot Local Development Plan.

- 20 Notwithstanding the provisions of the Town and Country Planning (General Permitted Development) Order 1995 (as amended for Wales) (or any order revoking and re-enacting that Order with or without modification), no doors, windows or dormer windows (other than those expressly authorised by this permission) shall be constructed without the prior grant of planning permission in that behalf.

Reason:

In order to safeguard the amenities of the area by enabling the Local Planning Authority to consider whether planning permission should be granted for such additional ***doors / windows***, having regard to the particular layout and design of the development and need to protect the amenity of nearby properties, and to accord with Policies BE1 and SC1 of the Neath Port Talbot Local Development Plan.

Informatives:

1 Please note that SAB approval will be required prior to any work commencing. It is a breach of approval required under Paragraph 7 (1) Schedule 3 of the Flood and Water Management Act 2010 whereby action will be taken by the Authority under The Sustainable Drainage (Enforcement) (Wales) Order 2018.

2 Developers' attention is drawn to the provisions of Section 278 of the Highways Act, 1980 in cases where a development would require access or other works to be carried out within the existing highway. Where highway works to benefit a development require land adjacent to an existing highway to be constructed upon together with works on the existing public maintained highway, a hybrid S38/278 shall be used. Works that are to be undertaken within the existing public maintained highway only will require a S278 agreement. No Work shall be undertaken on the existing public maintained highway until the appropriate legal agreement has been entered into. Any works undertaken on the public highway without the appropriate legal agreement with the Highway Authority, the Highway Authority has the right to request the developer to remove and/or reinstate that part of the highway back to its original condition to the satisfaction of the Highway Authority. A plan detailing the differences between the existing and proposed highway shall be submitted to form part of the legal agreement, this should be made up of two colours, green for the proposed area to be adopted and brown for the existing highway. Developers are reminded that consent under the Town and Country Planning Act, 1990/91, conveys no approval for works to be undertaken affecting any part of the public highway, including verges and footways. The Developer must:-(i) Obtain the approval of Neath Port Talbot County Borough Council as Highway Authority for the details of any works to be undertaken in the Public Highway.(ii)Indemnify the Authority against all claims arising from such works, including claims under the Land Compensation Act.(iii) Give not less than 1 calendar months' notice in writing of the date of commencement of the works. As part of this process you are advised that only certain contractors are permitted to undertake the works on the public highway, a list of these contractors are available from the Highway Authority's Highway Development Control Section. Therefore to ensure the road works you are required to undertake are carried out to the satisfaction of the Local Planning Authority you are advised prior to commencing any work on these works to contact the Head of Engineering and Transport at The Quays, Brunel Way, Baglan Energy

Park, Neath SA11 2GG (FAO Mr T Davies Telephone No. 01639 686392 or e-mail t.davies2@npt.gov.uk) to agree the specification, enter the necessary agreement and arrange onsite inspection of your works.

Reason for granting planning permission

The proposal represents an appropriate form of development that would have no unacceptable impact on residential amenity, visual amenity, highway and pedestrian safety, or biodiversity. Accordingly, the proposed development is in accordance with Policies SC1, BE1, EN5, EN6 and TR2 of the Neath Port Talbot Local Development Plan.

Ceri Morris – Head of Planning & Public Protection

Date: 26 May 2021

IMPORTANT:

(1) Please note that for all decisions issued after 16th March 2016 for outline or full planning permission, a revised decision notice will be issued whenever a subsequent consent is given, for example providing details of any Reserved Matters approvals (outline applications only) and/or approval of conditions (including on Reserved Matters). This will ensure that the current status of the conditions applied to a consent is clear. Accordingly you are advised to visit www.npt.gov.uk/planning to view the application documentation to see if this is the current version, or whether it has been superseded by a more up-to-date revision of this Decision Notice. For Reserved Matters approvals the revised Decision Notice will only be shown under the Outline approval.

(2) Please note that this consent is specific to the plans and particulars approved as part of the application. Any departure from the approved plans will constitute unauthorised development and may be liable to enforcement action. You (or any subsequent developer) should advise the Council of any actual or proposed variations from the approved plans immediately so that you can be advised how to best resolve the matter.

(3) In addition, any conditions that the Council has imposed on this consent will be listed above and should be read carefully. It is your (or any subsequent developers) responsibility to ensure that the terms of all conditions are met in full at the appropriate time (as outlined in the specific condition). Please note that any works carried out without compliance with the conditions attached to this approval will be entirely at the risk of the persons involved and may result in formal action being taken by the Local Planning Authority.

(4) The developer should have regard to Sections 4, 7, 8 and 8A of the Chronically Sick and Disabled Persons Act 1970 and to the British Standards Institution's Code of Practice for "Design of buildings and their approaches to meet the needs of disabled people" (BS 8300:2009+A1:2010).

(5) From 1st October 2012 it has been an offence to install a public sewer or lateral drain without having an adoption agreement in place. From the 1st October 2012 the vast majority of all existing private sewers and lateral drains which link with the public sewer network were transferred to Welsh Water. For further details on how this will affect your development please contact: Welsh Water Developer Services, PO Box 3146, Cardiff, CF30 0EH. Telephone No. 0800 9172652 or email: developer.services@dwrcymru.com.

IMPORTANT INFORMATION: TOWN AND COUNTRY PLANNING ACT 1990

The applicant's attention is drawn to the notes below.

- (1) If the applicant is aggrieved by the decision of the Local Planning Authority to refuse permission for the proposed development or to grant it subject to conditions, then you can appeal to the Welsh Government under Section 78 of the Town and Country Planning Act 1990 (as amended).
- (2) You can also appeal to the Welsh Government against a decision to refuse permission or grant subject to conditions in respect of applications made for :- Listed Building or Conservation Area Consent; Consent under a Tree Preservation Order; Advertisement Consent.
- (3) You can also appeal If your application for a Certificate of Lawful Existing Use or Lawful Proposed Use is partly or wholly refused or is granted differently from what you asked for (under Section 195/196) of the Town and Country Planning Act 1990 (as amended).
- (4) If you are aggrieved of the LPAs decision, the following deadlines apply for appeals to be submitted to the Welsh Government (from the date of the Council's decision):-

(1) Planning Permission (with the exception of Minor Commercial and Householder applications – see below)	Within 6 Months
(2) Householder Appeal see endnote i	Within 12 weeks
(3) Minor Commercial Appeal see endnote i	Within 12 weeks
(4) Listed Building or Conservation Area Consent appeals	Within 6 months
(5) Tree Preservation Order (TPO) Consent	Within 28 days
(6) Advertisement Consent	Within 8 weeks
(7) Certificate of Lawfulness of Existing (Section 191) or Proposed (Section 192) Use or Development	Within 6 months
(8) Hazardous Substances Consent	Within 6 months
- (5) Appeals must be made on a form which is obtainable from the Planning Inspectorate, Crown Buildings, Cathays Park, Cardiff, CF10 3NQ – Tel 0303 444 5940, or online at www.planningportal.gov.uk/pcs .
- (6) The Welsh Government has power to allow a longer period for the giving of notice of appeal but they will not normally be prepared to exercise this power unless there are special circumstances which excuse the delay in giving notice of appeal.
- (7) The Welsh Government is not required to entertain an appeal if it appears to them that permission for the proposed development could not have been granted having regard to the statutory requirements to the provisions of the development order, and to any directions given under the Order. They do not in practice refuse to entertain appeals solely because the decision of the Local Planning Authority was based on a direction given by them.
- (8) If permission to develop land is refused or granted subject to conditions, whether by the Local Planning Authority or by the Welsh Government, and the owner of the land claims that the land has become incapable of reasonable beneficial use in its existing state and cannot be rendered capable of reasonable beneficial use by the carrying out of any development which has been or would be permitted, he may serve on the County Borough Council, in which the land is situated, as the case may be, a **purchase notice** requiring that Council purchase his interest in the land in

accordance with the provisions of Part VI of the Town and Country Planning Act 1990.

Making an Appeal

- (9) Please note that for all applications received by the LPA after 5th May 2017, it is now a requirement that any appeal made to the Planning Inspectorate (other than Householder and Minor Commercial Appeals, and appeals against refusal to grant advertisement consent) must be accompanied by all the information and evidence you intend to rely upon (a **“full statement of case”**). You must also send a copy of the notice of appeal and full statement of case to the LPA.
- (10) In addition, for ‘planning appeals’ an amendment to an application following notice of appeal may only be made to correct an error.
- (11) Additional details and information on making an appeal to the Welsh Government is available from the Planning Inspectorate at the above address and website. The relevant documents are entitled “making your planning appeal” and “planning appeals Public Local Inquiries”.
- (12) Further correspondence regarding this application should bear the reference number quoted on the top of the decision notice.

THIS NOTICE RELATES ONLY TO A PLANNING DECISION AND DOES NOT RELATE TO OTHER LEGISLATION INCLUDING ANY LEGISLATION UNDER:

- BUILDING REGULATIONS – Please contact buildingcontrol@npt.gov.uk or 01639 686949 to discuss all aspects of the service that is offered by Building Control
- HIGHWAY LEGISLATION

IF PLANNING CONSENT HAS BEEN GRANTED IT IS ADVISABLE TO ESTABLISH WHETHER ANY OTHER FORM OF CONSENT IS REQUIRED AND TO OBTAIN SUCH CONSENT BEFORE COMMENCING DEVELOPMENT

ⁱ Please see the [Town and Country Planning \(Referred Applications and Appeals Procedure\) \(Wales\) Regulations 2017](#) for appeal procedures and for full definitions of:

- *“householder application”* (essentially an application for the enlargement, improvement or other alteration of a dwellinghouse, or development within the curtilage of such a dwellinghouse, or change of use to enlarge the curtilage of a dwelling house)
- *“householder appeal”* means an appeal in relation to a householder application, but excludes an appeal against conditions on the grant of planning permission; or an appeal which is accompanied by an enforcement or listed building consent appeal.
- *“minor commercial application”* (essentially relates to existing buildings of no more than 250 square metres gross external floor space at ground floor level, currently in use for any of the purposes set out in Schedule 1A to The Town and Country Planning (Development Management Procedure) (Wales) (Amendment) Order 2015 which is an application for change of use from Class A1 to A2 or A3; or Class A2 to A3); or the carrying out of building or other operations to a shop front.
- *“minor commercial appeal”* means an appeal in relation to a minor commercial application but excludes an appeal against conditions on the grant of planning permission; or an appeal which is accompanied by an enforcement or listed building consent appeal.
