## Application for Planning Permission. Town and Country Planning Act 1990

### Publication of applications on planning authority websites.

Please note that the information provided on this application form and in supporting documents may be published on the Authority's website. If you require any further clarification, please contact the Authority's planning department.

### 1. Site Details

|                |                            |
|----------------|----------------------------|
| Number         | <div></div>                |
| Suffix         | <div></div>                |
| Property name  | <div>Llwynllanc Isaf</div> |
| Address line 1 | <div>Neath Road</div>      |
| Address line 2 | <div></div>                |
| Town/city      | <div>Crynant</div>         |
| Postcode       | <div>SA10 8SE</div>        |

Description of site location must be completed if postcode is not known:

|              |                   |
|--------------|-------------------|
| Easting (x)  | <div>279144</div> |
| Northing (y) | <div>204285</div> |

Description

### 2. Applicant Details

|                |                            |
|----------------|----------------------------|
| Title          | <div>Mr</div>              |
| First name     | <div>Anthony</div>         |
| Surname        | <div>Vowles</div>          |
| Company name   | <div></div>                |
| Address line 1 | <div>Llwynllanc Isaf</div> |
| Address line 2 | <div>Neath road</div>      |
| Address line 3 | <div>Crynant</div>         |
| Town/city      | <div>Neath</div>           |
| Country        | <div></div>                |
| Postcode       | <div>SA108SE</div>         |

2. Applicant Details

Primary number

Secondary number

Email address

Are you an agent acting on behalf of the applicant?

Yes  No

3. Agent Details

No Agent details were submitted for this application

4. Site Area

What is the site area?

400.00

Scale

Sq. metres

Does your proposal involve the construction of a new building which would result in the loss or gain of public open space?

Yes  No

5. Description of the Proposal

Please describe the proposed development including any change of use

alteration to original plan for ground floor extension. now Ground and first floor rear extension to house, allowing better use of property for family life.

Has the work or change of use already started?

Yes  No

If yes, please state the date when the work or change of use started (date must be pre-application submission) DD/MM/YYYY

06/06/2018

Has the work or change of use been completed?

Yes  No

6. Existing Use

Please describe the current use of the site

Domestic detached house

Is the site currently vacant?

Yes  No

Does the proposal involve any of the following?

Land which is known or suspected to be contaminated for all or part of the site

Yes  No

A proposed use that would be particularly vulnerable to the presence of contamination

Yes  No

Application advice

If you have said Yes to any of the above, you will need to submit an appropriate contamination assessment.

Does your proposal involve the construction of a new building?

Yes  No

7. Materials

Does the proposed development require any materials to be used in the build?

Yes  No

Please provide a description of existing and proposed materials and finishes to be used in the build (including type, colour and name for each material):

7. Materials

|                                                            |                                                                                                                                                           |
|------------------------------------------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------|
| Walls                                                      |                                                                                                                                                           |
| Description of existing materials and finishes (optional): |                                                                                                                                                           |
| Description of proposed materials and finishes:            | Cavity wall construction with 100mm blwk, 50mm cavity, 75mm insulation<br>100mm internal blwk, dressed stone and rendered finish to match existing house. |

|                                                            |                                                                |
|------------------------------------------------------------|----------------------------------------------------------------|
| Roof                                                       |                                                                |
| Description of existing materials and finishes (optional): |                                                                |
| Description of proposed materials and finishes:            | cut and fit trussed rafters with slate to match existing roof. |

|                                                            |                                                         |
|------------------------------------------------------------|---------------------------------------------------------|
| Windows                                                    |                                                         |
| Description of existing materials and finishes (optional): |                                                         |
| Description of proposed materials and finishes:            | UPVC double glazing matching existing (anthrocite grey) |

|                                                            |                                                                    |
|------------------------------------------------------------|--------------------------------------------------------------------|
| Doors                                                      |                                                                    |
| Description of existing materials and finishes (optional): |                                                                    |
| Description of proposed materials and finishes:            | UPVC double glazed doors anthosite grey matching existing property |

|                                                            |     |

| Boundary treatments (e.g. fences, walls)                   |     |
| Description of existing materials and finishes (optional): |     |
| Description of proposed materials and finishes:            | N/A |

|                                                            |     |
|------------------------------------------------------------|-----|
| Vehicle access and hard standing                           |     |
| Description of existing materials and finishes (optional): |     |
| Description of proposed materials and finishes:            | N/A |

|                                                            |                                                             |
|------------------------------------------------------------|-------------------------------------------------------------|
| Lighting                                                   |                                                             |
| Description of existing materials and finishes (optional): |                                                             |
| Description of proposed materials and finishes:            | Domestic system fitted as per requirements and regulations. |

|                                                            |                                                   |
|------------------------------------------------------------|---------------------------------------------------|
| Other Rainwater goods                                      |                                                   |
| Description of existing materials and finishes (optional): |                                                   |
| Description of proposed materials and finishes:            | half round 100mm black, matching existing system. |

Are you supplying additional information on submitted plans, drawings or a design and access statement? ☒ Yes ☐ No

If Yes, please state references for the plans, drawings and/or design and access statement

|                                                      |
|------------------------------------------------------|
| General arrangement drawings, Anthony Vowles GA no 5 |
|------------------------------------------------------|

## 7. Materials

## 8. Pedestrian and Vehicle Access, Roads and Rights of Way

Is a new or altered vehicle or pedestrian access proposed to or from the public highway? ☐ Yes ☒ No

Are there any new public roads to be provided within the site? ☐ Yes ☒ No

Are there any new public rights of way to be provided within or adjacent to the site? ☐ Yes ☒ No

Do the proposals require any diversions/extinguishments and/or creation of rights of way? ☐ Yes ☒ No

**Please show details of any existing or proposed rights of way on or adjacent to the site, as well as any alterations to pedestrian and vehicle access, on your plans or drawings.**

## 9. Vehicle Parking

Is vehicle parking relevant to this proposal? ☐ Yes ☒ No

## 10. Trees and Hedges

Are there trees or hedges on the proposed development site? ☐ Yes ☒ No

And/or: Are there trees or hedges on land adjacent to the proposed development site that could influence the development or might be important as part of the local landscape character? ☐ Yes ☒ No

**If Yes to either or both of the above, you will need to provide a full tree survey with accompanying plan before your application can be determined. Your local planning authority should make clear on its website what the survey should contain, in accordance with the current 'BS5837: Trees in relation to design, demolition and construction - Recommendations'**

## 11. Assessment of Flood Risk

Is the site within an area at risk of flooding? ☐ Yes ☒ No

Refer to the Welsh Government's Development Advice Maps website.

**If the proposed development is within an area at risk of flooding you will need to consider whether it is appropriate to submit a flood consequences assessment. Refer to Section 6 and 7 and Appendix 1 of Technical Advice Note 15: Development and Flood Risk.**

Is your proposal within 20 metres of a watercourse (e.g. river, stream or beck)? ☐ Yes ☒ No

Will the proposal increase the flood risk elsewhere? ☐ Yes ☒ No

**From 7 January 2019, all new developments of more than 1 dwelling house or where the construction area is 100 square metres or more, require Sustainable Drainage Systems (SuDS) for surface water designed and built in accordance with the Welsh Ministers' Statutory SuDS Standards. SuDS Schemes must be approved by your local authority acting in its SuDS Approving Body (SAB) role. Please contact your local authority for details of how to apply.**

How will surface water be disposed of?

- ☐ Sustainable drainage system
- ☐ Existing water course
- ☐ Soakaway
- ☒ Main sewer
- ☐ Pond/lake

## 12. Biodiversity and Geological Conservation

**To assist in answering the following questions refer to the help text. The help text provides further information on when there is a reasonable likelihood that any important biodiversity or geological conservation features may be present or nearby and whether they are likely to be affected by your proposals.**

**Having referred to the help text, is there a reasonable likelihood of the following being affected adversely or conserved and enhanced within the application site, or on land adjacent to or near the application site?**

a) Protected and priority species

## 12. Biodiversity and Geological Conservation

- ☐ Yes, on the development site  
☐ Yes, on land adjacent to or near the proposed development  
☒ No

b) Designated sites, important habitats or other biodiversity features

- ☐ Yes, on the development site  
☐ Yes, on land adjacent to or near the proposed development  
☒ No

c) Features of geological conservation importance

- ☐ Yes, on the development site  
☐ Yes, on land adjacent to or near the proposed development  
☒ No

### Supporting information requirements

Where a development proposal is likely to affect features of biodiversity or geological conservation interest, you will need to submit, with the application, sufficient information and assessments to allow the local planning authority to determine the proposal.

Failure to submit all information required will result in your application being deemed invalid. It will not be considered valid until all information required by the local planning authority has been submitted.

Your local planning authority will be able to advise on the content of any assessments that may be required.

## 13. Foul Sewage

Please state how foul sewage is to be disposed of:

- ☒ Mains Sewer  
☐ Septic Tank  
☐ Package Treatment plant  
☐ Cess Pit  
☐ Other  
☐ Unknown

Are you proposing to connect to the existing drainage system?

☒ Yes ☐ No ☐ Unknown

If Yes, please include the details of the existing system on the application drawings. Please state the plan(s)/drawing(s) references.

connecting to existing system which is part of the current house. details included in GAD.

## 14. Waste Storage and Collection

Do the plans incorporate areas to store and aid the collection of waste and have arrangements been made for the separate storage and collection of recyclable waste?

☐ Yes ☒ No

## 15. Trade Effluent

Does the proposal involve the need to dispose of trade effluents or trade waste?

☐ Yes ☒ No

## 16. Residential/Dwelling Units

Does your proposal include the gain, loss or change of use of residential units?

☐ Yes ☒ No

## 17. All Types of Development: Non-Residential Floorspace

Does your proposal involve the loss, gain or change of use of non-residential floorspace?

☐ Yes ☒ No

## 18. Employment

Will the proposed development require the employment of any staff?

☐ Yes ☒ No

## 19. Hours of Opening

Are Hours of Opening relevant to this proposal?

☐ Yes ☒ No

## 20. Industrial or Commercial Processes and Machinery

Does this proposal involve the carrying out of industrial or commercial activities and processes?

☐ Yes ☒ No

Is the proposal for a waste management development?

☐ Yes ☒ No

**If this is a landfill application you will need to provide further information before your application can be determined. Your waste planning authority should make it clear what information it requires on its website**

## 21. Renewable and Low Carbon Energy

Does your proposal involve the installation of a standalone renewable or low-carbon energy development?

☐ Yes ☒ No

## 22. Hazardous Substances

Does the proposal involve the use or storage of any hazardous substances?

☐ Yes ☒ No

## 23. Neighbour and Community Consultation

Have you consulted your neighbours or the local community about the proposal?

☐ Yes ☒ No

## 24. Site Visit

Can the site be seen from a public road, public footpath, bridleway or other public land?

☒ Yes ☐ No

If the planning authority needs to make an appointment to carry out a site visit, whom should they contact? (Please select only one)

- ☐ The agent  
☒ The applicant  
☐ Other person

## 25. Pre-application Advice

Has pre-application advice been sought from the local planning authority about this application?

☒ Yes ☐ No

**If Yes, please complete the following information about the advice you were given (this will help the authority to deal with this application more efficiently):**

**Officer name:**

|            |                                    |
|------------|------------------------------------|
| Title      | <input type="text" value="Mr"/>    |
| First name | <input type="text" value="Billy"/> |
| Surname    | <input type="text" value="Stark"/> |
| Reference  | <input type="text"/>               |

Date (Must be pre-application submission)

Details of the pre-application advice received

## 25. Pre-application Advice

general enquiry made on change in design solution for extension

## 26. Authority Employee/Member

With respect to the Authority, is the applicant or agent one of the following:

- (a) a member of staff
- (b) an elected member
- (c) related to a member of staff
- (d) related to an elected member

Do any of these statements apply to you?

☐ Yes ☒ No

## 27. Ownership Certificates

**Certificate of Ownership - Certificate A - Town and Country Planning (Development Management Procedure) (Wales) Order 2012**

I certify/the applicant certifies that on the day 21 days before the date of this application nobody except myself/the applicant was the owner (owner is a person with a freehold interest or leasehold interest with at least seven years left to run) of any part of the land or building to which the application relates.

Person role

- ☒ The applicant  
☐ The agent

|                  |            |
|------------------|------------|
| Title            | Mr         |
| First name       | anthony    |
| Surname          | vowles     |
| Declaration date | 25/06/2021 |

☒ Declaration made

## 28. Agricultural Holding Certificate Town and Country Planning (Development Management Procedure) (Wales) Order 2012

Agricultural land declaration - you must select either A or B

- ☒ (A) None of the land to which the application relates is, or is part of an agricultural holding  
☐ (B) I have/The applicant has given the requisite notice to every person other than myself/the applicant who, on the day 21 days before the date of this application, was a tenant of an agricultural holding on all or part of the land to which this application relates, as listed below

Person role

☒ The applicant ☐ The agent

|                  |            |
