

Evidence to Verify Application

Site Address
11 The Avenue
Neath
SA11 2FD

Date – 14/07/2021

Applicant – Mr Adrian Hall

Agent – Paul Hastings FDS (Arb), M.Arbor.A

This application has been submitted on behalf of our client who would like to seek permission to carry out the following tree works as identified on the Tree Location Plan 140721.

T1 Beech Tree - located to the east of the above property.

- A significant reduction in weight is required to reduce the risk of summer branch drop from T1. The branches most at risk are those growing in a westerly direction towards and over properties on The Avenue. This work will involve the removal of branches back to pruning points at least 150mm in diameter but retaining a good balanced crown.
- As a result of the above mentioned pruning it is aimed to achieved at least a four-metre clearance of buildings.

Fig 1 & 2. Beech tree near house.

T2 & T3 Ash Trees - located to the east of the above property.

- Fell – Although these Ash trees are only in the early stages of infection from Ash Dieback, it is advised to fell before they become too advanced.

If you require any further information, please don't hesitate to contact me.
