Submission of Application for Prior Approval

RE: Removal of EE equipment at existing ex-navigation tower (WGL0057) with proposed 25m EE lattice mast at Port Talbot Dock, Puckney House, Port Talbot, Neath, SA12 6BP.

Dear Sirs,

Please find enclosed a covering letter informing you that the Harlequin Group Limited, on behalf of EE Limited ("EE"), has submitted an application for a prior approval determination of the installation of electronic communications apparatus as detailed above.

This replacement installation is required by EE to maintain and improve the level of coverage to Port Talbot as the existing site cannot be upgraded due to structural issues with the ex-navigation tower.

The following information is enclosed:

- i. The completed planning application.
- ii. An O.S. Site Location scale 1:1250 - drawing reference: Proposed Site Location Plan Rev B and Proposed Site Enhanced Location Plan Rev B.
- iii. Drawing nos.

Please also take this application and the details contained within it as due notification under the relevant condition of the **Electronic Communications Code** (Conditions and Restrictions) Regulations 2003 (as amended). In particular, you are given notice of the intention to install the electronic communications apparatus that is described in more detail in the application documentation (including the scale drawings) and to be located as shown on the application plans.

We would be willing to meet to discuss the merits of the application, or to assist with any visits of the site and surrounding area, if this is beneficial to the determination of the application.

We trust everything is in order, but please contact me if you require any additional information or clarification in relation to the proposed development.

Yours faithfully,

Kieran Parker
