This application has been submitted on behalf of our client who would like to seek permission to carry out the following tree works as identified on the Tree Location Plan 220921.

- T1** - Alder. Reduction in height by approximately 4-5 metres.
- T2** - Alder. Reduction in height by approximately 4-5 metres.
- T3** - Alder. Fell
- T4** - Ash. Fell

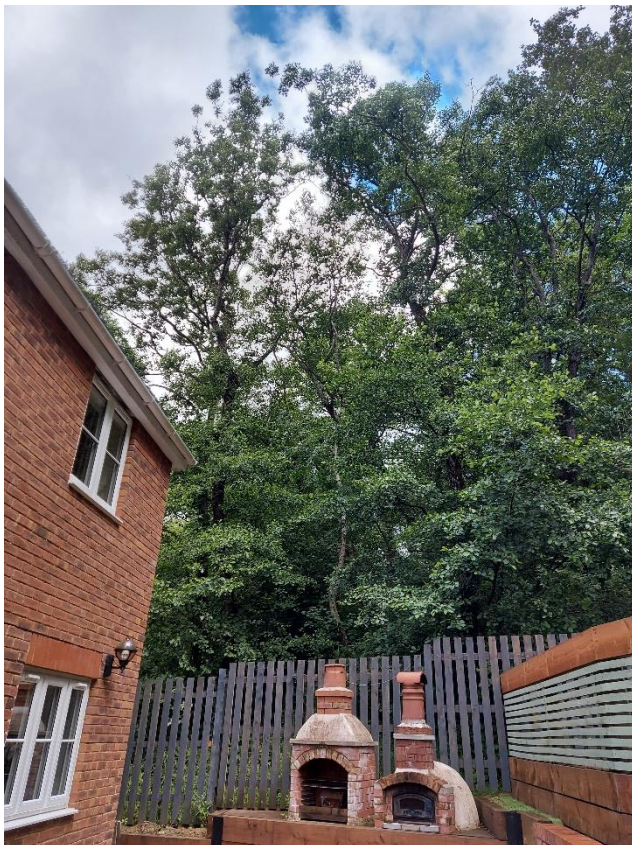

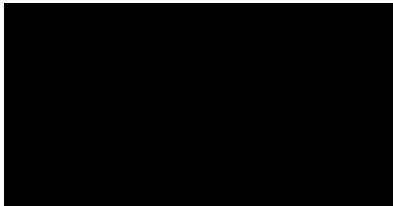

Fig 1 & 2. Alder trees near house.

The trees are approximately 18-20 metres tall but are located within 5 metres of the house.

These works have been recommended given their height and proximity to high value residential target. The likelihood of failure remains medium to low, but the residents require the risk level is reduced further.

If you require any further information, please don't hesitate to contact me.
