---

**DATE REGISTERED:** 12 August 2021

**APPLICATION NO:** P2021/0790

**LOCATION:** 27 Ropewalk, Neath, SA11 1EW

**PROPOSAL:**

Change of use from single dwelling to 2 no. self-contained flats, together with 2 no. new roof windows to rear roof plane, provision of three parking spaces to rear yard, detached bin store to rear garden and 4 no. cycle racks to front elevation, removal of cover to expose existing basement window to front elevation and replacement of a first floor rear window with a door to accommodate new external rear staircase and landing in order to facilitate rear access / egress to first floor flat (amended drawings and description 16.09.21)

**NEATH PORT TALBOT COUNTY BOROUGH COUNCIL** as the Local Planning Authority in pursuance of its power under the above mentioned Act and Order hereby **GRANTS PLANNING PERMISSION** for the development as described above to be carried out in accordance with the application and the plans submitted therewith, subject to compliance with the following conditions:

**Conditions:-**

**Time Limit Conditions**

- 1 The development shall begin no later than five years from the date of this decision.  
Reason:  
To comply with the requirements of Section 91 of the Town and Country Planning Act 1990.

## List of Approved Plans

- 2 The development shall be carried out in accordance with the following approved plans and documents:
- PC21/47/2 (Location plan)
  - PC21/47/2 (Planning Drawing)
  - PC21/47/3C (Site Plan)
  - PC21/47/1A (Survey drawing)
  - PC21/47/5 (Recycling Bin Store)
- Reason:  
In the interests of clarity.

## Action Conditions

- 3 The 2no. off street parking spaces as shown on the approved plan no. PC21/47/3 C. (Site Plan) shall be for the sole use of the ground floor flat only and shall be provided prior to the first beneficial use of the ground floor flat hereby permitted commencing, and shall thereafter be used solely for parking and the benefit of the occupants of the ground floor flat and their visitors and for no other purpose and permanently retained as such.
- Reason:  
In the interest of highway safety and to ensure the development complies with Policy TR2 of the Neath Port Talbot Local Development Plan.
- 4 The rear external staircase and associated first floor rear door opening hereby agreed and as shown on the approved drawings shall both be provided and fully functional prior to first use of the first floor flat and retained and maintained as such thereafter.
- Reason:  
To ensure the first floor flat has direct access to the rear amenity space in the interest of the amenities of the occupiers of the first floor flat and to ensure accordance with Policy BE1 of the adopted Neath Port Talbot Local Development Plan.
- 5 Prior to the occupation of either of the flats hereby approved, the bin store and cycle racks as detailed on the approved plans shall be completed as approved, and fully functional and available for use, and retained and maintained as such thereafter.
- Reason:  
In the interest of visual and residential amenity and to ensure compliance with Policy BE1 of the Neath Port Talbot Local Development Plan.

## Informatives:

1 The proposed development lies within an area that has defined by the Coal Authority as containing potential hazards arising from former coal mining activity. These hazards can include: mine entries (shafts and adits); shallow coal workings; geological features (fissures and break lines); mine gas and previous surface mining sites. Although such hazards are seldom readily visible, they can often be present and problems can occur in the future, particularly as a result of development taking place. It is recommended that information outlining how the former mining activities affect the

proposed development, along with any mitigation measures required (for example the need for gas protection measures within the foundations), be submitted alongside any subsequent application for Building Regulations approval (if relevant). Any form of development over or within the influencing distance of a mine entry can be dangerous and raises significant safety and engineering risks and exposes all parties to potential financial liabilities. As a general precautionary principle, the Coal Authority considers that the building over or within the influencing distance of a mine entry should wherever possible be avoided. In exceptional circumstance where this is unavoidable, expert advice must be sought to ensure that a suitable engineering design is developed and agreed with regulatory bodies which takes into account of all the relevant safety and environmental risk factors, including gas and mine-water. Your attention is drawn to the Coal Authority Policy in relation to new development and mine entries available at:

<https://www.gov.uk/government/publications/building-on-or-within-the-influencing-distance-of-mine-entries> Any intrusive activities which disturb or enter any coal seams, coal mine workings or coal mine entries (shafts and adits) requires a Coal Authority Permit. Such activities could include site investigation boreholes, digging of foundations, piling activities, other ground works and any subsequent treatment of coal mine workings and coal mine entries for ground stability purposes. Failure to obtain a Coal Authority Permit for such activities is trespass, with the potential for court action. Property specific summary information on past, current and future coal mining activity can be obtained from: [www.groundstability.com](http://www.groundstability.com) or a similar service provider. If any of the coal mining features are unexpectedly encountered during development, this should be reported immediately to the Coal Authority on 0345 762 6848. Further information is available on the Coal Authority website at: [www.gov.uk/government/organisations/the-coal-authority](http://www.gov.uk/government/organisations/the-coal-authority)

2 Welsh Water Advisory Notes The planning permission hereby granted does not extend any rights to carry out any works to the public sewerage or water supply systems without first having obtained the necessary permissions required by the Water industries Act 1991. This means that any alterations to existing premises that result in the creation of additional premises or merging of existing premises must be constructed to that each of the premises is separately connected to the Company's water main and can be separately metered. Please contact our new connections team on 0800 917 2652 for further information. The proposed development site is crossed by a public sewer with the approximate position being marked on the attached Statutory Public Sewer Record (forwarded to agent on 12.10.21). Should circumstances change and the application proposes any operational development, including any new structures or increase in the roof area of the building, we must be re-consulted on this application. Our response is based on the information provided by your application. Should the proposal alter during the course of the application process we kindly request that we are re-consulted and reserve the right to make new representation. If you have any queries please contact the undersigned Sion Jones Development Control Officer Developer Services on 0800 917 2652 or via email at [developer.services@dwrcymru.com](mailto:developer.services@dwrcymru.com)

3 Local Planning Authority note - It is requested that the developer contact Welsh Water prior to carrying out any works / development as the proposed development site is crossed by a public sewer and the proposed works may fall within the protection zone of the public sewer therefore preventing development. Contacting Welsh Water may allow for discussions to be held and for possible solutions to be considered.

4 Important note to developer - property lies within a high risk area from former coal mining operations The developer is made aware that your property lies within a high risk area from former coal mining operations. You are therefore advised to take appropriate

professional advice with regard to the implications of this upon your development, especially in relation to ground gas and contaminated land issues, and the potential need for mitigation measures, such as (but not necessarily limited to) gas protection measures, needing to be incorporated in to the proposed design, to address contaminated land and ground gas issues.

The decision to recommend planning permission has been taken in accordance with Section 38 of The Planning and Compulsory Purchase Act 2004, which requires that, in determining a planning application the determination must be in accordance with the Development Plan unless material considerations indicate otherwise. The Development Plan comprises the Neath Port Talbot Local Development Plan (2011-2026) adopted January 2016.

It is considered that the proposal represents an appropriate form of development that would have no unacceptable impact on the amenities of neighbouring residents, visual amenity of the area or highway and pedestrian safety. Accordingly, the proposed development is in accordance with Policies BE1 (Design), TR2 (Design and Access of New Development) and Policy EN8 (Pollution and Land Stability) of the Neath Port Talbot Local Development Plan.

Signed:

A handwritten signature in black ink, appearing to read 'Ceri Morris', is written over a horizontal line.

**Ceri Morris – Head of Planning & Public Protection**

**Date: 15 October 2021**

### **IMPORTANT:**

(1) Please note that for all decisions issued after 16th March 2016 for outline or full planning permission, a revised decision notice will be issued whenever a subsequent consent is given, for example providing details of any Reserved Matters approvals (outline applications only) and/or approval of conditions (including on Reserved Matters). This will ensure that the current status of the conditions applied to a consent is clear. Accordingly you are advised to visit [www.npt.gov.uk/planning](http://www.npt.gov.uk/planning) to view the application documentation to see if this is the current version, or whether it has been superseded by a more up-to-date revision of this Decision Notice. For Reserved Matters approvals the revised Decision Notice will only be shown under the Outline approval.

(2) Please note that this consent is specific to the plans and particulars approved as part of the application. Any departure from the approved plans will constitute unauthorised development and may be liable to enforcement action. You (or any subsequent developer) should advise the Council of any actual or proposed variations from the approved plans immediately so that you can be advised how to best resolve the matter.

(3) In addition, any conditions that the Council has imposed on this consent will be listed above and should be read carefully. It is your (or any subsequent developers) responsibility to ensure that the terms of all conditions are met in full at the appropriate time (as outlined in the specific condition). Please note that any works carried out without compliance with the conditions attached to this approval will be entirely at the risk of the persons involved and may result in formal action being taken by the Local Planning Authority.

(4) The developer should have regard to Sections 4, 7, 8 and 8A of the Chronically Sick and Disabled Persons Act 1970 and to the British Standards Institution's Code of Practice for "Design of buildings and their approaches to meet the needs of disabled people" (BS 8300:2009+A1:2010).

(5) From 1st October 2012 it has been an offence to install a public sewer or lateral drain without having an adoption agreement in place. From the 1st October 2012 the vast majority of all existing private sewers and lateral drains which link with the public sewer network were transferred to Welsh Water. For further details on how this will affect your development please contact: Welsh Water Developer Services, PO Box 3146, Cardiff, CF30 0EH. Telephone No. 0800 9172652 or email: [developer.services@dwrcymru.com](mailto:developer.services@dwrcymru.com).

## IMPORTANT INFORMATION: TOWN AND COUNTRY PLANNING ACT 1990

The applicant's attention is drawn to the notes below.

- (1) If the applicant is aggrieved by the decision of the Local Planning Authority to refuse permission for the proposed development or to grant it subject to conditions, then you can appeal to the Welsh Government under Section 78 of the Town and Country Planning Act 1990 (as amended).
- (2) You can also appeal to the Welsh Government against a decision to refuse permission or grant subject to conditions in respect of applications made for :- Listed Building or Conservation Area Consent; Consent under a Tree Preservation Order; Advertisement Consent.
- (3) You can also appeal If your application for a Certificate of Lawful Existing Use or Lawful Proposed Use is partly or wholly refused or is granted differently from what you asked for (under Section 195/196) of the Town and Country Planning Act 1990 (as amended).
- (4) If you are aggrieved of the LPAs decision, the following deadlines apply for appeals to be submitted to the Welsh Government (from the date of the Council's decision):-

|                                                                                                           |                 |
|-----------------------------------------------------------------------------------------------------------|-----------------|
| (1) Planning Permission (with the exception of Minor Commercial and Householder applications – see below) | Within 6 Months |
| (2) Householder Appeal <small>see endnote i</small>                                                       | Within 12 weeks |
| (3) Minor Commercial Appeal <small>see endnote i</small>                                                  | Within 12 weeks |
| (4) Listed Building or Conservation Area Consent appeals                                                  | Within 6 months |
| (5) Tree Preservation Order (TPO) Consent                                                                 | Within 28 days  |
| (6) Advertisement Consent                                                                                 | Within 8 weeks  |
| (7) Certificate of Lawfulness of Existing (Section 191) or Proposed (Section 192) Use or Development      | Within 6 months |
| (8) Hazardous Substances Consent                                                                          | Within 6 months |
- (5) Appeals must be made on a form which is obtainable from the Planning Inspectorate, Crown Buildings, Cathays Park, Cardiff, CF10 3NQ – Tel 0303 444 5940, or online at [www.planningportal.gov.uk/pcs](http://www.planningportal.gov.uk/pcs) .
- (6) The Welsh Government has power to allow a longer period for the giving of notice of appeal but they will not normally be prepared to exercise this power unless there are special circumstances which excuse the delay in giving notice of appeal.
- (7) The Welsh Government is not required to entertain an appeal if it appears to them that permission for the proposed development could not have been granted having regard to the statutory requirements to the provisions of the development order, and to any directions given under the Order. They do not in practice refuse to entertain appeals solely because the decision of the Local Planning Authority was based on a direction given by them.
- (8) If permission to develop land is refused or granted subject to conditions, whether by the Local Planning Authority or by the Welsh Government, and the owner of the land claims that the land has become incapable of reasonable beneficial use in its existing state and cannot be rendered capable of reasonable beneficial use by the carrying out of any development which has been or would be permitted, he may serve on the County Borough Council, in which the land is situated, as the case may be, a **purchase notice** requiring that Council purchase his interest in the land in

accordance with the provisions of Part VI of the Town and Country Planning Act 1990.

#### Making an Appeal

- (9) Please note that for all applications received by the LPA after 5<sup>th</sup> May 2017, it is now a requirement that any appeal made to the Planning Inspectorate (other than Householder and Minor Commercial Appeals, and appeals against refusal to grant advertisement consent) must be accompanied by all the information and evidence you intend to rely upon (a **“full statement of case”**). You must also send a copy of the notice of appeal and full statement of case to the LPA.
- (10) In addition, for ‘planning appeals’ an amendment to an application following notice of appeal may only be made to correct an error.
- (11) Additional details and information on making an appeal to the Welsh Government is available from the Planning Inspectorate at the above address and website. The relevant documents are entitled “making your planning appeal” and “planning appeals Public Local Inquiries”.
- (12) Further correspondence regarding this application should bear the reference number quoted on the top of the decision notice.

---

THIS NOTICE RELATES ONLY TO A PLANNING DECISION AND DOES NOT RELATE TO OTHER LEGISLATION INCLUDING ANY LEGISLATION UNDER:

- BUILDING REGULATIONS – Please contact [buildingcontrol@npt.gov.uk](mailto:buildingcontrol@npt.gov.uk) or 01639 686949 to discuss all aspects of the service that is offered by Building Control
- HIGHWAY LEGISLATION

IF PLANNING CONSENT HAS BEEN GRANTED IT IS ADVISABLE TO ESTABLISH WHETHER ANY OTHER FORM OF CONSENT IS REQUIRED AND TO OBTAIN SUCH CONSENT BEFORE COMMENCING DEVELOPMENT

---

<sup>i</sup> Please see the [Town and Country Planning \(Referred Applications and Appeals Procedure\) \(Wales\) Regulations 2017](#) for appeal procedures and for full definitions of:

- *“householder application”* (essentially an application for the enlargement, improvement or other alteration of a dwellinghouse, or development within the curtilage of such a dwellinghouse, or change of use to enlarge the curtilage of a dwelling house)
- *“householder appeal”* means an appeal in relation to a householder application, but excludes an appeal against conditions on the grant of planning permission; or an appeal which is accompanied by an enforcement or listed building consent appeal.
- *“minor commercial application”* (essentially relates to existing buildings of no more than 250 square metres gross external floor space at ground floor level, currently in use for any of the purposes set out in Schedule 1A to The Town and Country Planning (Development Management Procedure) (Wales) (Amendment) Order 2015 which is an application for change of use from Class A1 to A2 or A3; or Class A2 to A3); or the carrying out of building or other operations to a shop front.
- *“minor commercial appeal”* means an appeal in relation to a minor commercial application but excludes an appeal against conditions on the grant of planning permission; or an appeal which is accompanied by an enforcement or listed building consent appeal.
