Freedom of Information

Non-disclosure of commercially sensitive documents under Freedom of Information Act

Dragon Play & Sports Ltd consider our proposal return documentation to be commercially sensitive information under the Freedom of Information Act 2000. We request it is not disclosed on the grounds that its disclosure under this Act would, or would be likely to, prejudice the commercial interests of any person holding it without upholding any public interest.

Commercially sensitive extends to, but is not limited to pricing, company structure and recourses, method statements for the delivery of the works and services and descriptions of our products or bespoke environment designs. Release of this information would give commercial competitors an unfair advantage against Dragon Play & Sports Ltd on any future proposal submissions.

However, our 3D visual design drawings may be reviewed and released under a FOI Act request as this is generally available within the public domain or may have been displayed at a public event.
