PROPOSAL: Retention and completion of imported material to create a vehicular hardstanding and associated retaining wall, access and shed

THE NEATH PORT TALBOT COUNTY BOROUGH COUNCIL AS THE LOCAL PLANNING AUTHORITY IN PURSUANCE OF ITS POWER UNDER THE ABOVE MENTIONED ACT AND ORDER HEREBY REFUSES TO PERMIT THE PROPOSED DEVELOPMENT FOR THE FOLLOWING REASONS:-

Reasons For Refusal:-

1The use of the land to the north of No 1E as a vehicular hardstanding and associated access, retaining wall and shed would result in the introduction of inappropriate and unjustified form of development within an allocated Special Landscape Area , to the detriment of the visual amenity of the area and street-scene, and the principle of protecting the countryside and landscape for its own sake. Accordingly, the proposal is contrary to Policies SC1, EN2 and BE1 of the Neath Port Talbot Local Development Plan and the principles embedded in Planning Policy Wales.

2 In the absence of the requested highway information to assess the potential impacts of the creation of a vehicular hard standing and associated access on the adjacent highway, the applicant has failed to demonstrate that the required visibility splays of 2.4m x 43m in either direction along New Road can be provided without causing a detrimental impact

upon highway and pedestrian safety. Accordingly the proposal would be contrary to Policies SP20, TR2 and BE1 of the Neath Port Talbot Local Development Plan.

Reason for decision

The decision to refuse planning permission has been taken in accordance with Section 38 of The Planning and Compulsory Purchase Act 2004, which requires that, in determining a planning application the determination must be in accordance with the Development Plan unless material considerations indicate otherwise. The Development Plan comprises Future Wales - the National Plan 2040 and the Neath Port Talbot Local Development Plan (2011-2026) adopted January 2016.

While the proposal would have no unacceptable impact on the amenities of the neighbouring residents the use of the land as a vehicular hardstanding and associated access, retaining wall and shed would result in the introduction of inappropriate and unjustified development in the open countryside, to the detriment of the visual amenity of the area and street-scene contrary to Policies EN2 and SC1 of the Neath Port Talbot Local Development Plan. Furthermore, it has not been demonstrated that the proposed vehicular access onto New Road can achieve the required visibility splay in either direction and that highway and pedestrian safety will not be compromised. Accordingly, the proposed parking area and associated access would be detrimental to highway and pedestrian safety contrary to Policies BE1 (Design) and TR2 (Design and Access of New Development) of the Neath Port Talbot Local Development Plan.

It is further considered that the decision complies with Future Wales - the National Plan 2040 and the Council's well-being objectives and the sustainable development principle in accordance with the requirements of the Well-being of Future Generations (Wales) Act 2015.

IMPORTANT INFORMATION: TOWN AND COUNTRY PLANNING ACT 1990

The applicant's attention is drawn to the notes below.

1. If the applicant is aggrieved by the decision of the Local Planning Authority to refuse permission for the proposed development or to grant it subject to conditions, then you can appeal to the Welsh Government under Section 78 of the Town and Country Planning Act 1990 (as amended).
2. You can also appeal to the Welsh Government against a decision to refuse permission or grant subject to conditions in respect of applications made for :- Listed Building or Conservation Area Consent; Consent under a Tree Preservation Order; Advertisement Consent.
3. You can also appeal If your application for a Certificate of Lawful Existing Use or Lawful Proposed Use is partly or wholly refused or is granted differently from what you asked for (under Section 195/196) of the Town and Country Planning Act 1990 (as amended).
4. If you are aggrieved of the LPAs decision, the following deadlines apply for appeals to be submitted to the Welsh Government (from the date of the Council's decision):-

6. The Welsh Government has power to allow a longer period for the giving of notice of appeal but they will not normally be prepared to exercise this power unless there are special circumstances which excuse the delay in giving notice of appeal.
7. The Welsh Government is not required to entertain an appeal if it appears to them that permission for the proposed development could not have been granted having regard to the statutory requirements to the provisions of the development order, and to any directions given under the Order. They do not in practice refuse to entertain appeals solely because the decision of the Local Planning Authority was based on a direction given by them.
8. If permission to develop land is refused or granted subject to conditions, whether by the Local Planning Authority or by the Welsh Government, and the owner of the land claims that the land has become incapable of reasonable beneficial use in its existing state and cannot be rendered capable of reasonable beneficial use by the carrying out of any development which has been or would be permitted, he may serve on the County Borough Council, in which the land is situated, as the case may be, a **purchase notice** requiring that Council purchase his interest in the land in

accordance with the provisions of Part VI of the Town and Country Planning Act 1990.
