CYNGOR BWRDEISTREF SIROL CASTELL-NEDD PORT TALBOT**

**TOWN AND COUNTRY PLANNING ACT 1990
THE TOWN AND COUNTRY PLANNING (DEVELOPMENT MANAGEMENT
PROCEDURE)(WALES) ORDER 2012**

APPROVAL OF FULL PLANNING PERMISSION

Name and address of the applicant

Mr James Davies
30 Tennant Grove
Skewen
Neath
Neath Port Talbot
SA10 6ES

DATE REGISTERED: 16 December 2020

APPLICATION NO: P2020/1120

LOCATION: Land Opposite, 101-105 Taillwyd Road, Neath Abbey, Neath,
Neath Port Talbot, SA10 7DY

PROPOSAL: Detached dwelling and associated works

NEATH PORT TALBOT COUNTY BOROUGH COUNCIL as the Local Planning Authority in pursuance of its power under the above mentioned Act and Order hereby **GRANTS PLANNING PERMISSION** for the development as described above to be carried out in accordance with the application and the plans submitted therewith, subject to compliance with the following conditions:

This decision notice is REVISION NUMBER 1 issued on 16/02/2022

Conditions:-

Time Limit Conditions

- 1 The development shall begin no later than five years from the date of this decision.

Reason:

To comply with the requirements of Section 91 of the Town and Country Planning Act 1990.

List of Approved Plans

- 2 The development shall be carried out in accordance with the following approved plans and documents:

- JD-DR-0011 Sections Sheet 2 Rev 1
- JD-DR-0010 Sections sheet 1 Rev 3
- JD-DR-0002 Existing block plan Rev B
- JD-DR-0005 Tree constraints plan Rev B
- JD-DR-0004 Boundary Treatment Plan Rev A
- JD-DR-0006 Floor plans Rev 2
- JD-DR-0007 Building elevations Rev 2
- JD-DR-0008 Front 3D views Rev 2
- JD-DR-0009 Back 3D views Rev 2
- JD-DR-0001 Site Location Plan Rev A
- JD-DR-0003 Proposed block plan Rev A

Reason:

In the interests of clarity.

Pre-Commencement Conditions

- 3 No development shall take place or any equipment, machinery or materials are brought on to the site for the purposes of the development until tree protective fencing (the details of which shall be in accordance with BS5837:2012 Trees in relation to design, demolition and construction) is erected along the eastern perimeter of the root protection area indicated on drawing number JD - DR - 0005 Rev B. This fencing shall remain in position for the duration of the ground and construction works and until all equipment, machinery and surplus materials have been removed from the site. Nothing shall be stored or placed in any area fenced in accordance with this condition and the ground levels within those areas shall not be altered, nor shall any excavation be made, without the written consent of the local planning authority. All works in the vicinity of the trees on / adjacent to this site shall also be undertaken in accordance with BS5837:2012 Trees in relation to design, demolition and construction.

Reason:

To ensure all existing trees are protected throughout the construction of the development, in the interest of visual amenity, and to ensure the development complies with Policies SP15 and BE1 of the Neath Port Talbot Local Development Plan.

Action Conditions

- 4 Prior to their use in the construction of the development hereby permitted, details of the materials to be used in the construction of the external surfaces of the development shall have been submitted to and approved in writing by the Local Planning Authority. Development shall be carried out in accordance with the approved details.

Reason:

In the interest of the visual amenity of the area and to ensure the development complies with Policy BE1 of the Neath Port Talbot Local Development Plan.

Details in respect of the above condition were approved by planning permission ref. P2022/0071 on the 16/02/2021

- 5 Prior to the occupation of the dwelling hereby approved, a scheme indicating screening to be erected to the east boundary of the raised rear patio shall be submitted to and approved in writing by the Local Planning Authority. The scheme shall include the position, height, design, materials and type of screening to be erected. The screening shall be completed, as approved, prior the first beneficial use of the dwelling and retained as such thereafter.

Reason:

In the interest of visual amenity and to ensure compliance with Policy BE1 of the Neath Port Talbot Local Development Plan.

Details in respect of the above condition were approved by planning permission ref. P2022/0071 on the 16/02/2021

- 6 Prior to the commencement of works on any retaining wall /steps that act as a retaining structure / retaining structures that are 1.5m high and higher, a scheme shall be submitted to and approved in writing by the Local Planning Authority detailing any retaining wall /steps that act as a retaining structure / retaining structures that are 1.5m high and higher, including full structural calculations. The approved retaining walls shall be fully implemented on site prior to the first beneficial occupation of the dwelling, and retained as such thereafter.

Reason

In the interest of visual amenity, residential amenity of the neighbouring properties and land stability, and to ensure compliance with Policy BE1 of the Neath Port Talbot Local Development Plan.

- 7 Prior to the occupation of the dwelling hereby approved the boundary treatment detailed on drawing number JD - DR - 0004 Rev A shall be completed, as approved, and retained and maintained as such thereafter.

Reason:

In the interest of visual and residential amenity and to ensure compliance with Policy BE1 of the Neath Port Talbot Local Development Plan.

- 8 Notwithstanding the details submitted, prior to the first beneficial use of the dwelling hereby approved, the windows[s] on the north-east facing side elevation serving the cinema room and gym room shall be fitted with obscured glazing, and any part of the window/s that is less than 1.7m above the floor of the room in which it is installed shall be non-opening. The windows shall be permanently retained as such thereafter,

Reason:

In the interest of the amenities of the adjoining property/ies, and to ensure accordance with Policy BE1 of the adopted Neath Port Talbot Local Development Plan.

- 9 In order to ensure adequate disposal of foul water, the development hereby approved shall be connected to the mains sewerage system prior to the first beneficial use of the dwelling(s) and retained as such thereafter.

Reason:

In the interest of satisfactory drainage of the site, and ensure the development complies with Policy SP16 and BE1 of the Neath Port Talbot Local Development Plan.

- 10 Prior to occupation of the dwelling hereby approved, the bat brick detailed in drawing number 'D-DR-003 Proposed block plan Rev A' shall be provided and shall be retained as such thereafter.

Reason

In the interests of biodiversity

- 11 The finished levels of the development shall be in accordance with the level details on approved drawings JD-DR-0011 Sections Sheet 2 Rev 1 and JD-DR-0010 Sections sheet 1 Rev 3 and retained as such thereafter.

Reason

In the interest of the amenities of the area and to ensure a satisfactory street picture

- 12 Prior to occupation of the dwelling a vehicular footway crossing shall be provided to Highway Authority specification and retained and maintained as such thereafter.

Reason

In the interests of highways and pedestrian safety

- 13 Prior to occupation of the development hereby approved, the boundary treatment and visibility splay adjacent to the parking area shall be implemented in accordance with drawing JD-DR-0004 Boundary Treatment Plan Rev A and retained and maintained as such thereafter.

Reason

In the interests of highway and pedestrian safety

- 14 Notwithstanding the submitted plans, prior to first use of the dwelling, the approved driveway and parking area as annotated on the drawing titled 'JD-DR-003 Proposed block plan Rev A' shall be hard surfaced in a hardwearing porous material, such as block paving or porous asphalt (no loose / unbound material) to a maximum gradient of no greater than 1 in 9 and no less than 1 in 150 and shall be drained so that no surface water (including roof and yard) flows out onto the public highway or vice versa and must be retained and maintained to ensure it complies with the above requirements in perpetuity. No surface water or Land drainage run-off shall be allowed to connect, either directly or indirectly, to the Highway Drainage system.

Reason

In the interests of highway and pedestrian safety

- 15 The 3 no. car parking spaces as shown on the approved plan titled 'D-DR-003 Proposed block plan Rev A' shall be provided prior to the first beneficial use of the development hereby permitted commencing, and shall thereafter be used solely for car parking and solely for the benefit of the occupants of the dwelling of which it forms part and their visitors and for no other purpose and 3 no. car parking spaces shall be permanently retained as such.

Reason:

In the interest of highway safety and to ensure the development complies with Policy TR2 of the Neath Port Talbot Local Development Plan.

Regulatory Conditions

- 16 Any gates provided across the access drive(s) shall be of a type which open inward only and can be seen through, and shall be retained as such thereafter.

Reason:

In the interest of highway and pedestrian safety and to ensure compliance with Policy TR2 of the Neath Port Talbot Local Development Plan.

- 17 Foul water and surface water discharges shall be drained separately from the site.

Reason

To prevent hydraulic overloading of the public sewerage system, to protect the health and safety of existing residents and ensure no pollution of or detriment to the environment, and to ensure the development complies with Policy SP16 and BE1 of the Neath Port Talbot Local Development Plan.

- 18 Notwithstanding the provisions of the Town and Country Planning (General Permitted Development) Order 1995 (as amended for Wales) (or any order revoking and re-enacting that Order with or without modification), no doors, windows or dormer windows (other than those expressly authorised by this permission) shall be constructed without the prior grant of planning permission in that behalf.

Reason:

In order to safeguard the amenities of the area by enabling the Local Planning Authority to consider whether planning permission should be granted for such additional doors / windows, having regard to the particular layout and design of the development and need to protect the amenity of nearby properties, and to accord with Policies BE1 and SC1 of the Neath Port Talbot Local Development Plan.

- 19 Notwithstanding the provisions of the Town and Country Planning (General Permitted Development) Order 1995 (as amended for Wales) (or any order revoking and re-enacting that Order with or without modification), no fences, gates or walls shall be erected within the curtilage of any dwelling house forward of any wall of that dwelling house which fronts onto a highway, carriageway, shared driveway or footpath.

Reason:

In order to safeguard the amenities of the area by enabling the Local Planning Authority to consider whether planning permission should be granted for such enclosures having regard to the particular layout and design of the development, and to accord with Policies BE1 and SC1 of the Neath Port Talbot Local Development Plan.

- 20 Notwithstanding the provisions of Schedule 2, Part 1, Class E of the Town and Country Planning (General Permitted Development) Order 1995 (as amended for Wales) (or any order revoking and re-enacting that order with or without modification), no buildings shall be erected other than those expressly authorised by this permission and identified on the approved drawings.

Reason:

In order to safeguard the amenities of the area by enabling the Local Planning Authority to consider whether planning permission should be granted for garages or outbuildings having regard to the particular layout and design of the development, residential amenity, and to accord with Policies BE1 and SC1 of the Neath Port Talbot Local Development Plan.

- 21 No surface water and/or land drainage shall be allowed to connect directly or indirectly with the public sewerage network

Reason:

To prevent hydraulic overloading of the public sewerage system, to protect the health and safety of existing residents and ensure no pollution of or detriment to the environment, and to ensure the development complies with Policy SP16 and BE1 of the Neath Port Talbot Local Development Plan.

Informatives:

- 1 Natural Resources Wales notes to developer:

The applicant should be advised that, in addition to planning permission, it is their responsibility to ensure that they secure all other permits/consents relevant to their development.

- 2 Welsh Water Advisory Notes

As of 7th January 2019, this proposed development may be subject to Schedule 3 of the Flood and Water Management Act 2010. In the event this proposed development amounts to a total impermeable area of 100sqm or more, approval of Sustainable Drainage Systems (SuDS) features will be required in accordance with the 'Statutory standards for sustainable drainage systems - designing, constructing, operating and maintaining surface water drainage systems'. It would therefore be recommended that the developer engage in consultation with Neath Port Talbot County Borough Council, as the determining SuDS Approval Body (SAB), in relation to their proposals for SuDS features. Please note, Dwr Cymru Welsh Water is a statutory consultee to the SAB application process and will provide comments to any SuDS proposals by response to SAB consultation. The applicant may need to apply to Dwr Cymru / Welsh Water for any connection to the public sewer under S106 of the Water Industry Act 1991. If the connection to the public sewer network is either via a lateral drain (i.e. a drain which extends beyond the connecting property boundary) or via a new sewer (i.e. serves more than one property), it is now a mandatory requirement to first enter into a Section 104 Adoption Agreement (Water Industry Act 1991). The design of the sewers and lateral drains must also conform to the Welsh Ministers Standards for Gravity Foul Sewers and Lateral Drains, and conform with the publication "Sewers for Adoption"- 7th Edition. Further information can be obtained via the Developer Services pages of www.dwrcymru.com. If you have any queries please contact the undersigned (Sion Jones) on 0800 917 2652 or via email at developer.services@dwrcymru.com

- 3 Welsh Water Advisory Notes

Having had an opportunity to review the application submission package, we advise that the proposed development site is crossed by a public foul water sewer with the approximate position being marked on the attached Statutory Public Sewer Record. In accordance with the Water Industry Act 1991, Dwr Cymru Welsh Water requires access to its apparatus at all times in order to carry out maintenance and repairs. However, the submitted 'Proposed Block Plan' (Drawing No. JD - DR - 0003) is annotated with an

easement and it would appear the proposed development would be situated outside the protection zone of the public sewer measured 3 metres either side of the centreline. Notwithstanding this, there would still appear to be a section of abandoned sewer within the vicinity of the development and we request that they contact us to discuss. The applicant is also advised that some public sewers and lateral drains may not be recorded on our maps of public sewers because they were originally privately owned and were transferred into public ownership by nature of the Water Industry (Schemes for Adoption of Private Sewers) Regulations 2011. The presence of such assets may affect the proposal. In order to assist us in dealing with the proposal the applicant may contact Dwr Cymru Welsh Water to establish the location and status of the apparatus. Under the Water Industry Act 1991 Dwr Cymru Welsh Water has rights of access to its apparatus at all times. If you have any queries please contact the undersigned (Sion Jones) on 0800 917 2652 or via email at developer.services@dwrcymru.com

4 If any features that may be used by bats (crack, crevices, gaps, loose bark etc) are identified during the works then the branches shall be section felled, lowered carefully and left on the ground for a minimum of 24 hours to allow any wildlife, such as bats, to escape if present.

In addition, if bats are discovered during the works, work shall stop immediately. NRW shall be contacted as a licence maybe required to continue.

NRW can be contacted at:- Natural Resources Wales, Ty Cambria, 29 Newport Road, Cardiff CF24 0TP, 0300 065 3000

Bat Conservation Trust can be contacted at:-5th Floor, Quadrant House, 250 Kennington Lane, London, SE11 5DR, 0345 1300228 Bird nesting season No vegetation clearance should take place between 1st March to 31st July inclusive to minimise the potential for nesting birds to be disturbed as they are protected by law.

Site clearance

The vegetation on site should be cleared from the road and towards the rear of the site. This will allow any small mammals on site the opportunity to move off site to suitable habitat.

5 For the construction of a vehicular crossing over the footway, you should contact the Senior Highways Inspector Mr Aled Jones Port Talbot County Borough Council at The Quays, Brunel Way, Baglan Energy Park, Neath, SA112GG (Tel: 01639 686407 or 686344. If you propose to do the work yourself you should contact the above prior to commencing any works within the highway in order to arrange the necessary indemnity and specification for the works.

6 Please note that from 7th January 2019, all new developments of more than 1 house, or where a construction area is of 100m² or more, plus if the SAB authority believe that any redevelopment of land has significant surface water drainage implications. This will require sustainable drainage - built in accordance with mandatory standards for sustainable drainage published by Welsh Ministers - to manage on-site surface water. More information is available in Schedule 3 of the Flood & Water Management Act 2010. These systems must be approved by the Council's SAB & Highway Development Control Section before construction work begins. In this respect it is essential that a developer of any such project gain SAB approval of its surface water drainage alongside any relevant planning permission. You will not be allowed to start construction until both permissions have been approved. If you have not done so already, and your development would not fall into any of the relevant exceptions, you are therefore strongly encouraged to request

further advice from the SAB. Involving the SAB Officers in pre-application discussions will allow for SuDS drainage matters (to ensure suitability of proposed SuDs design in line with national standards and adequate site layout) to be considered alongside the assessment of planning merits. There is an additional charge of £250 for this service. This can be as part of any agreed further pre-application submissions with the Planning Authority (recommended) or independently/ direct with the SAB. You are advised, however, that failing to engage in joint pre-application discussions has the potential to lead to delays and, most notably, the potential need to obtain further planning permission should any agreed SuDS design not be compliant with any relevant planning permission. Further details are available at www.npt.gov.uk/sab

7 The proposed development lies within a coal mining area which may contain unrecorded coal mining related hazards. If any coal mining feature is encountered during development, this should be reported immediately to the Coal Authority on 0345 762 6848. Further information is also available on the Coal Authority website at: www.gov.uk/government/organisations/the-coal-authority

8 Neath Port Talbot Council Drainage Section notes to developer:-SAB approval will be required prior to any work commencing. To commence work is a breach of SAB approval required under Paragraph 7 (1) Schedule 3 of the Flood and Water Management Act 2010 whereby legal action will be taken by the Authority under The Sustainable Drainage (Enforcement) (Wales) Order 2018. Guidance and applications can be found on www.npt.gov.uk/sab-Should any springs or ground water seepage be encountered the on site works in that area shall cease until a scheme for collection and disposal of the water has been submitted to and approved in writing by the Local Planning Authority. No ground water shall ever be discharged into the proposed drainage scheme.-There must be no interference, alteration or diversion of any ditch, watercourse, stream or culvert crossing or bordering the site, without prior consultation and agreement with the Authority.-Unless otherwise agreed in writing by the Local Planning Authority, foul water and surface water discharges shall be drained separately from the site. -No surface water or Land drainage run-off shall be allowed to connect, either directly or indirectly, to the public sewerage system unless otherwise approved in writing by the Local Planning Authority.-Adequate provision shall be made for the drainage of the site, to ensure that the drainage of any adjoining land is not interrupted or otherwise adversely effected by the development during the life time of construction.

The decision to recommend planning permission has been taken in accordance with Section 38 of The Planning and Compulsory Purchase Act 2004, which requires that, in determining a planning application the determination must be in accordance with the Development Plan unless material considerations indicate otherwise. The Development Plan comprises the Neath Port Talbot Local Development Plan (2011-2026) adopted January 2016.

The development is considered be a justified and appropriate form of residential development within settlement boundaries, complying with Policies SP15, SP16, SP20, SP21, SC1, TR2, BE1 , EN6, EN7 and EN8 of the Local Development Plan and also complying with the principles of good design as set out within TAN12: Design and Planning Policy Wales, which encourages and promotes good design principles having regard to a site's specific opportunities and constraints.

It is further considered that the decision complies with the Council's well-being objectives and the sustainable development principle in accordance with the requirements of the Well-being of Future Generations (Wales) Act 2015.

Signed:

A handwritten signature in black ink, appearing to read 'C. Morris', written over a horizontal line.

Ceri Morris – Head of Planning & Public Protection

Date: 4 February 2021

IMPORTANT:

(1) Please note that for all decisions issued after 16th March 2016 for outline or full planning permission, a revised decision notice will be issued whenever a subsequent consent is given, for example providing details of any Reserved Matters approvals (outline applications only) and/or approval of conditions (including on Reserved Matters). This will ensure that the current status of the conditions applied to a consent is clear. Accordingly you are advised to visit www.npt.gov.uk/planning to view the application documentation to see if this is the current version, or whether it has been superseded by a more up-to-date revision of this Decision Notice. For Reserved Matters approvals the revised Decision Notice will only be shown under the Outline approval.

(2) Please note that this consent is specific to the plans and particulars approved as part of the application. Any departure from the approved plans will constitute unauthorised development and may be liable to enforcement action. You (or any subsequent developer) should advise the Council of any actual or proposed variations from the approved plans immediately so that you can be advised how to best resolve the matter.

(3) In addition, any conditions that the Council has imposed on this consent will be listed above and should be read carefully. It is your (or any subsequent developers) responsibility to ensure that the terms of all conditions are met in full at the appropriate time (as outlined in the specific condition). Please note that any works carried out without compliance with the conditions attached to this approval will be entirely at the risk of the persons involved and may result in formal action being taken by the Local Planning Authority.

(4) The developer should have regard to Sections 4, 7, 8 and 8A of the Chronically Sick and Disabled Persons Act 1970 and to the British Standards Institution's Code of Practice for "Design of buildings and their approaches to meet the needs of disabled people" (BS 8300:2009+A1:2010).

(5) From 1st October 2012 it has been an offence to install a public sewer or lateral drain without having an adoption agreement in place. From the 1st October 2012 the vast majority of all existing private sewers and lateral drains which link with the public sewer network were transferred to Welsh Water. For further details on how this will affect your development please contact: Welsh Water Developer Services, PO Box 3146, Cardiff, CF30 0EH. Telephone No. 0800 9172652 or email: developer.services@dwrcymru.com.

IMPORTANT INFORMATION: TOWN AND COUNTRY PLANNING ACT 1990

The applicant's attention is drawn to the notes below.

- (1) If the applicant is aggrieved by the decision of the Local Planning Authority to refuse permission for the proposed development or to grant it subject to conditions, then you can appeal to the Welsh Government under Section 78 of the Town and Country Planning Act 1990 (as amended).
- (2) You can also appeal to the Welsh Government against a decision to refuse permission or grant subject to conditions in respect of applications made for :- Listed Building or Conservation Area Consent; Consent under a Tree Preservation Order; Advertisement Consent.
- (3) You can also appeal If your application for a Certificate of Lawful Existing Use or Lawful Proposed Use is partly or wholly refused or is granted differently from what you asked for (under Section 195/196) of the Town and Country Planning Act 1990 (as amended).
- (4) If you are aggrieved of the LPAs decision, the following deadlines apply for appeals to be submitted to the Welsh Government (from the date of the Council's decision):-

(1) Planning Permission (with the exception of Minor Commercial and Householder applications – see below)	Within 6 Months
(2) Householder Appeal see endnote i	Within 12 weeks
(3) Minor Commercial Appeal see endnote i	Within 12 weeks
(4) Listed Building or Conservation Area Consent appeals	Within 6 months
(5) Tree Preservation Order (TPO) Consent	Within 28 days
(6) Advertisement Consent	Within 8 weeks
(7) Certificate of Lawfulness of Existing (Section 191) or Proposed (Section 192) Use or Development	Within 6 months
(8) Hazardous Substances Consent	Within 6 months
- (5) Appeals must be made on a form which is obtainable from the Planning Inspectorate, Crown Buildings, Cathays Park, Cardiff, CF10 3NQ – Tel 0303 444 5940, or online at www.planningportal.gov.uk/pcs .
- (6) The Welsh Government has power to allow a longer period for the giving of notice of appeal but they will not normally be prepared to exercise this power unless there are special circumstances which excuse the delay in giving notice of appeal.
- (7) The Welsh Government is not required to entertain an appeal if it appears to them that permission for the proposed development could not have been granted having regard to the statutory requirements to the provisions of the development order, and to any directions given under the Order. They do not in practice refuse to entertain appeals solely because the decision of the Local Planning Authority was based on a direction given by them.
- (8) If permission to develop land is refused or granted subject to conditions, whether by the Local Planning Authority or by the Welsh Government, and the owner of the land claims that the land has become incapable of reasonable beneficial use in its existing state and cannot be rendered capable of reasonable beneficial use by the carrying out of any development which has been or would be permitted, he may serve on the County Borough Council, in which the land is situated, as the case may be, a **purchase notice** requiring that Council purchase his interest in the land in

accordance with the provisions of Part VI of the Town and Country Planning Act 1990.

Making an Appeal

- (9) Please note that for all applications received by the LPA after 5th May 2017, it is now a requirement that any appeal made to the Planning Inspectorate (other than Householder and Minor Commercial Appeals, and appeals against refusal to grant advertisement consent) must be accompanied by all the information and evidence you intend to rely upon (a **“full statement of case”**). You must also send a copy of the notice of appeal and full statement of case to the LPA.
- (10) In addition, for ‘planning appeals’ an amendment to an application following notice of appeal may only be made to correct an error.
- (11) Additional details and information on making an appeal to the Welsh Government is available from the Planning Inspectorate at the above address and website. The relevant documents are entitled “making your planning appeal” and “planning appeals Public Local Inquiries”.
- (12) Further correspondence regarding this application should bear the reference number quoted on the top of the decision notice.

THIS NOTICE RELATES ONLY TO A PLANNING DECISION AND DOES NOT RELATE TO OTHER LEGISLATION INCLUDING ANY LEGISLATION UNDER:

- BUILDING REGULATIONS – Please contact buildingcontrol@npt.gov.uk or 01639 686949 to discuss all aspects of the service that is offered by Building Control
- HIGHWAY LEGISLATION

IF PLANNING CONSENT HAS BEEN GRANTED IT IS ADVISABLE TO ESTABLISH WHETHER ANY OTHER FORM OF CONSENT IS REQUIRED AND TO OBTAIN SUCH CONSENT BEFORE COMMENCING DEVELOPMENT

ⁱ Please see the [Town and Country Planning \(Referred Applications and Appeals Procedure\) \(Wales\) Regulations 2017](#) for appeal procedures and for full definitions of:

- *“householder application”* (essentially an application for the enlargement, improvement or other alteration of a dwellinghouse, or development within the curtilage of such a dwellinghouse, or change of use to enlarge the curtilage of a dwelling house)
- *“householder appeal”* means an appeal in relation to a householder application, but excludes an appeal against conditions on the grant of planning permission; or an appeal which is accompanied by an enforcement or listed building consent appeal.
- *“minor commercial application”* (essentially relates to existing buildings of no more than 250 square metres gross external floor space at ground floor level, currently in use for any of the purposes set out in Schedule 1A to The Town and Country Planning (Development Management Procedure) (Wales) (Amendment) Order 2015 which is an application for change of use from Class A1 to A2 or A3; or Class A2 to A3); or the carrying out of building or other operations to a shop front.
- *“minor commercial appeal”* means an appeal in relation to a minor commercial application but excludes an appeal against conditions on the grant of planning permission; or an appeal which is accompanied by an enforcement or listed building consent appeal.
