RESIDENCE 9

BEAUTIFUL INSIDE AND OUT

Designed and made in Britain

FIND YOUR PERFECT WINDOW

A Clever Blend Of Old & New

Residence 9 is a window and door system designed to authentically replicate 19th Century timber designs.

The traditionally elegant flush exterior and stylish decorative interior create that classic aesthetic.

A combination of design, innovation and technological advancement is how Residence 9 outperforms many other systems.

Your R9 journey starts here...

Market-Leading Design For Modern Living

Residence 9 is proud to be designed and made in the UK. It was created with the enduring designs of British architecture in mind and has many bespoke options that can satisfy a range of homes, from the grandeur of stately homes to the solid good looks of Georgian and Victorian properties, right through to present-day abodes. Residence 9 is an eclectic blend of traditional aesthetics and innovative design. Whatever period your property is, we know your Residence 9 windows and doors will look great as we copied historical design and considered conservation guidelines, which authentically replicate traditional timber sightlines. You'll immediately notice the benefits of the thermally efficient 9 chamber design and modern glazing, whilst retaining the character of your home, thanks to it being traditionally transformed by Residence 9.

Residence 9 Gallery

Residence 9 can tick all the boxes for your property. It is designed to replicate the flush timber designs found in heritage properties in our towns, villages and cities. It enables you to replace your windows and doors with an authentic design and in heritage colours, without losing the character appearance and feel of the period.

Residence 9 Features & Benefits

Our choice of hardware designs will further complement your look, whether your style is contemporary or period. Further options include Georgian bars and a weatherbar/mullion stiffener, both of which can be added to replicate existing windows or add new character to your home.

Butt Hinge Option

Butt Hinges can assist in retaining the original timber window aesthetic or be used to create a brand new look. Choose from working butt hinges or dummy

Handles & Stays

Personalise your Residence 9 windows with our handles and peg stays. All beautifully designed to complement your window, they are the ideal

Weatherbar

Old timber windows often had a raised moulding that ran horizontally. Its function was to shed dripping water and to increase the strength of the

Manufacturing Techniques

Residence 9 embraces modern manufacturing and celebrates the techniques of traditional British craftsmanship. The joints are butted together to replicate timber, giving your windows and doors the authentic timber appearance R9 is famous for.

Traditional Sightlines

Residence 9's flush sash exterior is timeless and all the glass sightlines are perfectly equal, providing symmetry and style not available in other window systems. The internal shape and depth is completely authentic and gives an elegant and distinctively deep appearance.

Personalised Internal Style

With a range of splendid styles and configurations, Residence 9 allows you to create an individual design statement for your home. Choose from a vast colour palette and a series of decorative options to truly personalise your Residence 9.

Residence 9 Colours

Make your windows and doors truly individual by selecting dual colours. Complement your interior designs by tailoring your internal colour by room and choose an external colour that creates the signature first impression to suit your exterior.
