

Oak Cottage, Pontardawe.

Photographic Plates,

Spring 2013

Oak Cottage, Pontardawe

List of Plates:

1. Front elevation of Oak Cottage and part of St. Peter's Church Hall.
2. Main entrance (west elevation) with Porch currently dismantled.
3. Ditto.
4. The remaining components of the Porch and entrance doorway.
5. Front elevation at first floor level with gable over.
6. The damaged faience to the ground floor window surround, which we understand was made at the local Ynysmeudwy Pottery.
7. Ditto. The first floor level window.
8. The rear elevation and lean-to cat-slide roof which is now part of the kitchen.
9. Ditto.
10. The roof of the kitchen and rear porch together with the east face of the property.
11. The rear elevation viewed from the public highway above.
12. The cross-braced roof structure.
13. The cat-slide roof of the kitchen which it is proposed will be re-slatted and a conservation sky-light added.
14. The stone plinth and entrance steps where the porch has been taken down.
15. The remaining timbers for the Porch has been retained and will be used as joinery templates to allow for the reconstruction of the Porch.
16. The entrance doorway.
17. Ditto.
18. The west elevation.
19. We believe that the steps and stone plinth have settled quite considerably over the past one hundred and fifty six years as the Porch was prior to its demolition leaning significantly.
20. The existing kitchen.

Oak Cottage, Pontardawe.
