Dear Steve,

RE: Non-material amendment application - Former Afan Lido Site, Aberavon Seafront

This non-material minor amendment application relates to the information detailed in planning condition 23 of permission P2021/0226 at the Former Afan Lido Site, Aberavon Seafront. The fee of £115 has been paid.

Condition 23 states the following:

The submitted Construction Method Statement document titled Construction Method Statement - The Former Afan Lido, Aberavon Seafront, Port Talbot (February 2021) and submitted plan referenced Construction Plan - Afan Lido, including all hours of construction and measures identified therein, shall be adhered to throughout the demolition and construction phase of the development as a whole.

The Construction Management Plan submitted alongside the Construction Method Statement has been amended to alter the location of the Materials Store and Construction Compound on the South Eastern Parcel. We have also added an area which is to be utilised as a temporary sales area for the development whilst the show home and sales office is constructed and completed.

Find attached to this application the amended Construction Management Plan and a plan illustrating the Temporary Sales Area.

OFFICIAL PARTNER

The temporary sales building has been included on this plan as it is considered to fall under permitted development rights as stipulated in the Town and Country Planning (General Permitted Development) Order 1995 under Part 4, Class A which relates to Temporary Buildings.

If you require any further information or clarification please do not hesitate to contact me.

Yours sincerely,

K E Harrison
