Good Afternoon Kittie,

Please see the amended form (inclusive of the amended cert section) and Article 10 notices which have been served.

In terms of staff and vehicles, please see my attached summary:

- ☐ Only 2 members of staff will be permanently present on site at any one time, thus a maximum of 2 cars.
- ☐ The facility manager may visit the site on occasional times, however there will be at least 2 available spaces for parking.
- ☐ Residents will not have cars.
- ☐ In terms of visitors, this will be managed and scheduled by the facility manager, and will be limited to only one visitor at any one time.

The applicants are minded of the neighbouring property and have had due regard to the highway safety of the area.

I'll forward over the bike/cycle store details tomorrow,

Kind Regards

Robert Chichester MRTPI
