Mid and West Wales Fire and Rescue Service

Fire Service Headquarters,

Lime Grove Avenue,

Carmarthen,

Carmarthenshire,

SA31 1SP

4th of July 2022.

Statement relating to the use of the Phase 2 building upon the installation and commission of the new CFBT facility at Earlswood.

Dear Sir/Madam,

Mid and West Wales Fire and Rescue Service can confirm that following the successful installation and commission of the new Carbonaceous Fire Behaviour training (CFBT) unit at Earlswood, the existing smokehouse (phase 2 building) will be decommissioned, in relation to the CFBT and wood burning with smoke to free air activities will cease within six months of the new development.

The existing Phase 2 Smokehouse building thereafter may be used for search and rescue purposes and other training scenarios that do not require exposure to heat and live fire.

Yours faithfully,

Huw Davies BA (Hons) MinstLM
