Hi Kittie,

We will only be parking 2 vehicles at the bungalow, the mini bus will be used to transport young adults there and home but not parked at the bungalow. There will be no visitors to the bungalow as it will be for short term respite for young adults with disabilities who are unable to drive (so will not have their own vehicles).

We have attached two pictures for you, Picture 1 shows the driveway for the two vehicles, Picture 2 shows the parking spaces within the boundaries where the minibus will drop clients off once per day.

Hope this helps. As the decision deadline has now passed, could you tell us how long this will take as we are in the process of signing for the property.

Regards
