

I have been asked to Send this Statement with my Re Submittence of my Application which was Rejected in June 2021

These are my reasons:

- My Neighbour has just had permission to go ahead with trees in my Original Application I was told that all the trees were the same height therefore works to mine would make them different heights which they now will be as Number 8 has been approved
- The roots of the trees are Coming through the wall in my garden I asked in June 2021 for a Council Arborist to Come & look from my garden. but was

Refused, but apparently one
Went to No. 8 Princess Drive.
