Hi Mel,

I attached a copy of the minutes for our meeting last week including our constraints and mitigation drawings. Can you please let me know if you have any comments/amendments/additions on the minutes prior to final issue.

Please note that I will be on annual leave from Monday for two weeks. In my absence Vicky will deal with our ongoing Geo work on the project.

Many thanks,
Arie

Hi Mel,

Many thanks for your and Leigh's time last week. We thought that the meeting was very useful. Hopefully you found the project interesting and that we are dealing well with the challenging ground conditions at the site. We will circulate minutes for the meeting tomorrow for your records.

Thank you for providing the contacts below for exploring mine heat energy, it is much appreciated.

Regards,
Arie
