PROPOSAL: Creation of a new vehicular access and 1 no. off road parking space.

THE NEATH PORT TALBOT COUNTY BOROUGH COUNCIL AS THE LOCAL PLANNING AUTHORITY IN PURSUANCE OF ITS POWER UNDER THE ABOVE MENTIONED ACT AND ORDER HEREBY REFUSES TO PERMIT THE PROPOSED DEVELOPMENT FOR THE FOLLOWING REASONS:-

Reasons For Refusal:-

1 The proposed parking space , due to the sub-standard depth and its position directly in front of the front door of the property would significantly increase the risk of vehicles extending over the footway, to the detriment of pedestrian safety. As such, the proposed development would have a detrimental impact upon the Highway and Pedestrian safety of the existing road network and would be contrary to policies Policies BE1 (Design) and TR2 (Design and Access of New Development) of the Neath Port Talbot Local Development Plan.

2 The proposed vehicle access, is located on a bend fronting onto a 30mph 'A' Classified Road (A474) which is heavily trafficked, the lack of the provision of an on-site turning facility would result in the formation of a vehicular access where vehicles would be unable to enter and leave the site in a forward gear to the detriment of the free flow of traffic along the road and would be hazardous to both pedestrians and other road users and as such, having a detrimental impact upon the Highway and Pedestrian safety of the existing road network and would be contrary to policies Policies BE1 (Design) and TR2 (Design and Access of New Development) of the Neath Port Talbot Local Development Plan.

3 The raising of the footway to the same level as the carriageway to facilitate the vehicular access to the property would create a footway with a gradient which could be challenging for pedestrians using the footway and will lead to surface water run off onto the highway and neighbouring properties as such, the proposed development would have a detrimental impact upon the Highway and Pedestrian safety of the existing road network and would be contrary to policies Policies BE1 (Design) and TR2 (Design and Access of New Development) of the Neath Port Talbot Local Development Plan.

The decision to refuse planning permission has been taken in accordance with Section 38 of The Planning and Compulsory Purchase Act 2004, which requires that, in determining a planning application the determination must be in accordance with the Development Plan unless material considerations indicate otherwise. The Development Plan comprises Future Wales - the National Plan 2040 and the Neath Port Talbot Local Development Plan (2011-2026) adopted January 2016.

While the proposal would have no unacceptable impact on the amenities of the neighbouring residents or the visual amenity of the area, it is considered that the proposed vehicle access and hardstanding would have a detrimental impact upon Highway and Pedestrian safety. Accordingly, the proposed development is not in accordance with Policies BE1 (Design) and TR2 (Design and Access of New Development) of the Neath Port Talbot Local Development Plan.

It is further considered that the decision complies with Future Wales - the National Plan 2040 and the Council's well-being objectives and the sustainable development principle in accordance with the requirements of the Well-being of Future Generations (Wales) Act 2015.
