

Wenallt Wild Camp

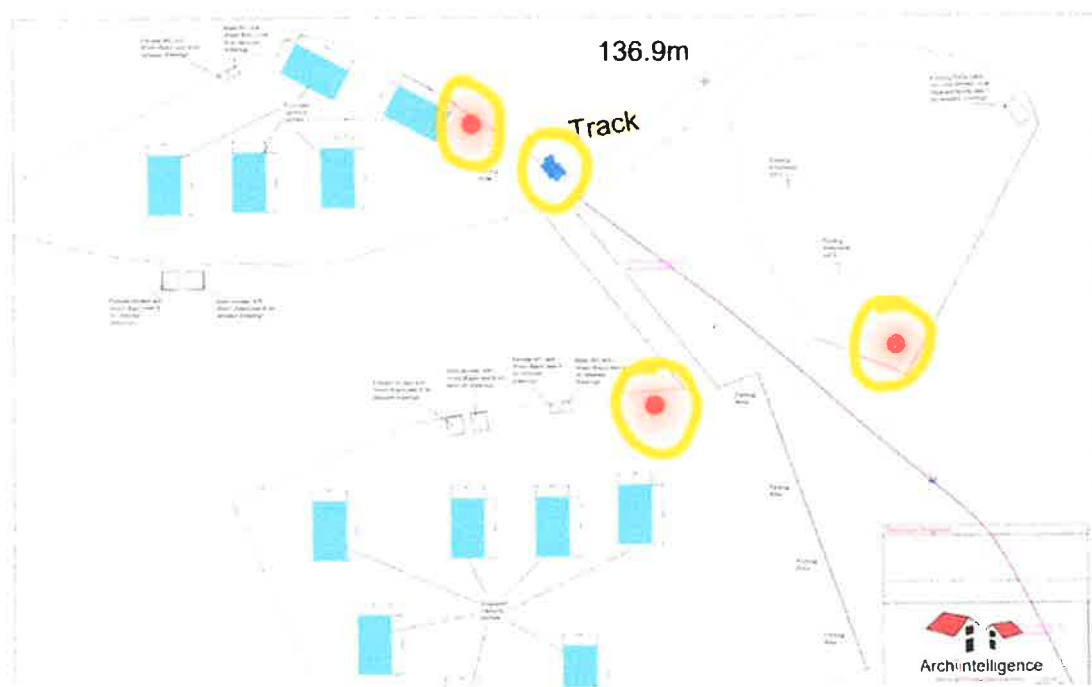

Waste removal strategy - Wenallt Wild Camp

From Camp at Wenallt Farm, Tonna, Neath, SA11 3QH to satisfy condition 4 of planning permission P2022/0625:

Pre-Commencement Condition 4:

"Prior to first beneficial use of the development, a scheme detailing a refuse and recycling strategy shall be submitted to and approved in writing by the Local Planning Authority, including full details of bin and recycling locations and collection details. The scheme, as approved, shall be implemented prior to the first beneficial use of the development, and retained as such thereafter."

Scheme detailing the refuse and recycling strategy:

- There will be recycle bins (circled red on the map) provided within each camping area for glass, cardboard, plastic, tin and food waste.
- The bins will be checked twice daily and emptied as and when required.
- The waste will be taken to the main collection area (circled blue on the map).
- The main collection area will have four sealed recycle bins provided by a local licenced waste removal company and will be collected as and when required. The four recycle buns will hold 1) plastic and tin; 2) cardboard 3) glass; and 4) food.
- Details of the local licenced waste removal company will be provided to the Local Planning Authority within next three weeks (by Monday, 6th March 2023).
