

ACCESS STATEMENT.

**In Support of an Application for Listed Building Consent for:
Glazing Repairs at The Orangery, Margam Park.**

Tim Edwards, Architectural Officer, NPTCBC
February 2023.

Access

Margam Park has developed a number of access policies to promote an inclusive experience for Staff and visitors. The policies have been realised in ongoing developments and refurbishments at The Orangery, which is considered to be Access Friendly.

This application for Listed Building Consent is concerned with maintenance and safety of replacement glass and as such does not impact on access issues.
