8. Trees - Reasons For Works

This section only needs to be completed if you are seeking consent for proposed works to trees under a Tree Preservation Order (TPO)

Please state the reasons for carrying out the proposed works on the tree(s):

The tree is now extremely tall and wide and is blocking the sunlight in my garden. As well as this there is one thick branch that extends to my neighbour's garden that they would like cut for the same reasons.

I am a single parent of three children and I am struggling with the upkeep and maintenance cost of the garden. Therefore I do not have the funds to continually cut the tree year on year so would like to cut the height to as low as is possible.

The tree is also causing an issue with the path as the pavings are now being affected by the roots.

Please indicate whether the reasons for carrying out the proposed works include any of the following. If so, your application must be accompanied by the documents specified.

Health or safety of the tree(s) - e.g. it is diseased, fears that it might break or fall:

☐ Yes

☒ No

If Yes, information required - report by a tree professional (e.g. arboriculturist, horticultural adviser).

Alleged subsidence damage:
