Dear Kittie

Further to the matters raised by Highways in your email I have as discussed with you amended the Site Layout Drawing (FDL AB 1021 004 Revised) which is attached.

You may see that I have added a cross section at the top to note the fall in relation to the proposed dwelling and the existing highway.

I have noted the vision splays of 2.4 m.  
I have changed the colour of some of the noting's from red.

If I can provide any further information please don't hesitate to let me know.

Kindest Regards  
Sam Kingston

Good Afternoon Samuel

Please find attached comments from our Highways and drainage team, I would recommend addressing points 1, 2, 4 and 5 of the Highways response. Please note I am on leave after tomorrow and back in the office on the 27<sup>th</sup> March. I am still awaiting comments from NRW and the Coal Authority as of yet.

I trust this is of assistance.

Kind regards,

**Kittie Powell**
