Description

The proposed location is at Grid Reference SN 73071 04782 / <https://w3w.co/circus.searches.mimes>. The development will cover two meters squared at this location.

Glantawe Riverside Park is a publicly accessible nature reserve on the outskirts of Pontardawe, owned by NPTC but leased and managed by the registered charity Arena Pontardawe. Permissions from both the Estates department of NPTC and Arena Pontardawe as the leasee of the site have been granted.

The proposed location for the swift tower is in the meadow adjacent to the visitor centre at Glantawe Riverside Park. This site has been selected as the best option for Pontardawe as it will be noticeable to Swifts passing as they feed along the river. It is not adjacent to residential properties so is unlikely to cause any inconvenience to members of the public and should in fact enhance the experience for visitors to the park.
